The Board may excuse members from voting on matters involving their own financial interest or official conduct. A member who wishes to be excused from voting shall so inform the Chair, who shall take a vote of the remaining members. A member who fails to vote, not having been excused, shall be recorded as voting in the affirmative. An absence shall not be counted in the vote.

Rule 22. Prohibition of Secret Voting

No vote may be taken by secret ballot. If the Board decides to vote by written ballot, each member shall sign his or her ballot and the minutes shall record the vote of each member. These ballots shall be retained and made available for public inspection until the minutes of that meeting have been approved, at which time they may be destroyed.

Rule 23. Action by Reference

The Board shall not deliberate, vote, or otherwise act on any matter by reference to an agenda or document number unless copies of the agenda or documents being referenced are available for public inspection at the meeting and are so worded that people at the meeting can understand what is being discussed or acted on.

Rule 24. Introduction of Ordinances, Resolutions, and Orders

A proposed ordinance shall be deemed introduced at the first meeting at which it is on the

agenda, regardless of whether it is actually considered by the Board, and its introduction shall be recorded in the minutes.

Rule 25. Adoption, Amendment, or Repeal of Ordinances

To be adopted at the meeting where first introduced, an ordinance or any action with the effect of an ordinance, or any ordinance amending or repealing an existing ordinance (except the budget ordinance, a bond order, or another ordinance requiring a public hearing before adoption) must be approved by all members of the Board of Commissioners. If the proposed measure is approved by a majority of those voting but not by all the members of the Board, or if the measure is not voted on at the meeting where introduced, it shall be considered at the next regular meeting of the Board. If the proposal receives a majority of the votes cast at the next meeting or within one hundred days of being introduced, it is adopted.

Rule 26. Quorum

A majority of the Board membership shall constitute a quorum. The number required for a quorum is not affected by vacancies. If a member has withdrawn from a meeting without being excused by majority vote of the remaining members present, he or she shall be counted as present for the purposes of determining whether a quorum is present. The Board may compel the attendance of an absent member by ordering the Sheriff to take the member into custody.

Rule 27. Public Hearings

The Chair/County Manager has the authority to call public hearings. Public hearings required by law or deemed advisable by the Board shall be discussed setting forth the subject, date, place, and time of the hearing as well as any rules regarding the length of time allotted to each speaker and designating representatives to speak for large groups. The County Manager/Clerk to the Board shall advertise for the public hearings with proper legal notice. At the appointed time, the Chair shall call the hearing to order and preside over it. When the allotted time expires, the Chair shall declare the hearing ended and the Board shall resume the regular order of business.

Rule 28. Quorum at Public Hearings

A quorum of the Board shall be required at all public hearings required by law.

Rule 29. Minutes

Minutes shall be kept of all Board meetings.

Rule 30. Appointments

The Board shall use the following procedure to make appointments to fill vacancies in the Board itself or in other boards and public offices over which the Board has power of appointment.

The Chair shall open the floor to nominations, whereupon the members shall put forward and debate names of possible appointees. Appointments shall be made by majority vote.

Rule 31. Reference to *Robert's Rules of Order*

To the extent not provided for in, and not conflicting with the spirit of, these rules, the Chair shall refer to *Robert's Rules of Order* to resolve procedural questions.

Rule 32. Reference to *Suggested Rules of Procedures for the Board of County Commissioners*

Based on material in *Suggested Rules of Procedures for the Board of County Commissioners*, 3d ed., by Joseph S. Ferrell (Chapel Hill, NC: The Institute of Government, The University of North Carolina, 2002).

North Carolina General Statute 105-373 – Settlements

- (a) Annual Settlement of Tax Collector-
- (1) Preliminary Report. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make a sworn report to the governing body of the taxing unit showing:
 - a. A list of the persons owning real property whose taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person; and
 - b. A list of the persons not owning real property whose personal property taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person. (To this list the tax collector shall append his statement under oath that he has made diligent efforts to collect the taxes due from the persons listed out of their personal property and by other means available to him for collection, and he shall report such other information concerning these taxpayers as may be of interest to or required by the governing body, including a report of his efforts to make collection outside the taxing unit under the provisions of G.S. 105-364). The governing body of the taxing unit may publish this list in any newspaper in the taxing unit. The cost of publishing this list shall be paid by the taxing unit.
 - (2) Insolvents. – Upon reviewing the report required by subdivision (a)(1), above the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes (but who listed no real property) whom it finds to be insolvent, and it shall by resolution designate the list entered in its minutes as the insolvent list to be credited to the tax collector in his settlement.
 - (3) Settlement for Current Taxes. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make full settlement with the governing body of the taxing unit for all taxes in his hands for collection for the preceding fiscal year.
 - a. In the settlement the tax collector shall be charged with:
 1. The total amount of all taxes in his hands for collection for the year, including amounts originally charged to him and all amounts subsequently charged on account of discoveries;
 2. All penalties, interest, and costs collected by him in connection with taxes for the current year; and
 3. All other sums collected by him.
 - b. The tax collector shall be credited with:
 1. All sums representing taxes for the year deposited by him to the credit of the taxing unit or receipted for by a property official of the unit;
 2. Releases duly allowed by the governing body;
 3. The principal amount of taxes constituting liens on real property;
 4. The principal amount of taxes included in the insolvent list determined in accordance with subdivision (a)(2), above;
 5. Discounts allowed by law;
 6. Commissions (if any) lawfully payable to the tax collector as compensation; and
 7. The principal amount of taxes for any assessment appealed to the Property Tax Commission when the appeal has not been fully adjudicated.

The tax collector shall be liable on his bond for both honesty and faithful performance of duty; for any deficiencies; and, in addition, for all criminal penalties provided by law.

The settlement, together with the action of the governing body with respect thereto, shall be entered in full upon the minutes of the governing body.

- (4) Disposition of Tax Receipts after Settlement. – Uncollected taxes allowed as credits in the settlement prescribed in subdivision (a)(3), above, whether represented by tax liens held by the taxing unit or included in the list of insolvents, shall, for purposes of collection, be recharged to the tax collector or charged to some other person designated by the governing body of the taxing unit under statutory authority. The person charged with uncollected taxes shall:
 - a. Give bond satisfactory to the governing body;
 - b. Receive the tax receipts and tax records representing the uncollected taxes;
