**CITY OF TRAVELERS REST
REGULAR COUNCIL MEETING MINUTES
September 17, 2020 6:00 P.M.**

The City has implemented changes to our Public Meetings due to COVID-19. We invite the public to join us by way of Zoom. You may connect by smart phone, tablet or computer and use this weblink: View on Facebook live <http://www.Facebook.com/DiscoverTravelersRest> or Zoom <https://us02web.zoom.us/j/87132340820?pwd=Y1QvSDhwZHc3aStlSkpPOG52enRkQT09> Meeting ID 871 3234 0820 Passcode 704424

The following members were present at City Hall: Brandy Amidon, Mayor, Harvey Choplin, Mayor Pro-Tempore, Grant Bumgarner, Shaniece Criss, Kelly Byers, Jeff George, Sara Gilstrap and Brantly Vest. Also present were: Eric Vinson, City Administrator, Charlene Carter, Ben Ford, Police Chief, Greg Robertson, Fire Chief, Mac McMakin and Phillip Tate, PW Director. Councilmember Rick Floyd was absent. The media were notified and did not attend the meeting and we had 6 attendees through Zoom.

A. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

1. Mayor Amidon called the meeting to order
2. Council and staff recited the Pledge of Allegiance.

B. OTHER BUSINESS

1. The invocation was given by Councilmember Gilstrap.

C. APPROVAL OF THE MINUTES OF PREVIOUS MEETING(S)

1. Councilmember Choplin made a motion to approve the minutes for the Regular Council Meeting held on August 20, 2020. The motion was seconded by Councilmember George and carried unanimously.

D. PUBLIC HEARING

None

E. CITIZEN PARTICIPATION (5-minute max)

None

F. ORDINANCE FOR SECOND READING

None

G. COMMITTEE REPORTS

Chair Byers provided the summary of the Public Works Committee meeting held on September 8, 2020 and discussed the following August public works monthly report was reviewed, and minutes were approved. They also discussed contractors assigned to clean up downtown areas. An overview was also provided of the City's enrollment into the SC 811 Palmetto Utility Protection Service which includes City being notified and locating specifically Sewer lines to proactively prevent damage to our utility lines.

Chair Floyd provided the summary for Public Safety Committee meeting held on September 8, 2020 to review reports for August and discussed and approved the minutes for the prior month. The Public Safety Committee inquired on update of fire truck delivery. Fire has 2 new hires starting on September 29th. Police personnel update with the hiring of dispatcher Kayla Campbell as a police officer and interviews being conducted for dispatcher vacancy. Police call volume about the same with influx of people during the Labor Day weekend downtown. Corporal Rob Lewis is biking the trail and offering a presence in the community. Police and Fire are attending the same calls if possible. Building permits were lower in August and Municipal Court is meeting twice per month.

Chair Vest provided the summary for Planning & Development Committee meeting held on September 8, 2020. The committee approved August 10 minutes and discussed the short-term rental code and motion to move on to full Council and request for a Resolution for the MASC Hometown Economic Development grant and City matching funds, a motion was approved to move to full Council

Mayor Pro Tempore Choplin stated the personnel committee did meet with full Council for an executive session on September 8, 2020. The committee received the information as such only with no action taken.

H. ORDINANCES FOR FIRST READING

1. Councilmember Vest made a motion before Council to approve Ordinance O-18-20 Code Amendment for Short-Term Rentals. Councilmember Bumgarner made the second. Councilmember Vest added the Ordinance was updated since committee with the owner tenant radius at 50 miles and the *occupancy definition* has been updated as well. The motion passed unanimously.
2. Councilmember Vest made a motion before Council of the Resolution R-03-20 MASC Hometown Economic Development Grant Local match funding and support. Councilmember Bumgarner seconded the motion and carried unanimously.

I. OLD BUSINESS

None

J. NEW BUSINESS

None

K. MISCELLANEOUS MATTERS

1. Mayor Amidon read aloud the Proclamation for National Red Ribbon week for October 23-31, 2020.
2. Mayor Amidon read aloud the Proclamation for Mr. Samuel Luther Benson recognizing his commitment to Travelers Rest and ordered September 18, 2020 be recognized as his day.

L. Adjournment

1. There being no other business to come before the Council, Councilmember Bumgarner made a motion to adjourn. The motion was seconded by Councilmember George and carried unanimously. Concluded 6:13pm.

MEMORANDUM

TO: City Council

FROM: Eric Vinson, City Administrator

DATE: September 4, 2020

SUBJECT: Short Term Residential Rentals

Attached is a proposed ordinance that provides for the allowance of short-term residential rentals. This ordinance is based largely on other similar ordinances from surrounding jurisdictions. It applies only to the use of residential dwelling units for short-term rentals.

The City of Travelers Rest is committed to working to protect the traditional quality of life and character of residential neighborhoods. Concerns about permitting short-term residential rentals include, but are not limited to, concerns about increased traffic, noise, trash, and parking needs; safety issues created by increased traffic and population density, and other undesirable changes to the traditional nature of the city's neighborhoods. This article provides a registration and inspection process governing all short-term residential rentals, for the purposes of balancing the protection of existing residential neighborhoods and residents with allowing a limited use of residences for short-term residential rentals, and for implementing life safety standards.

STATE OF SOUTH CAROLINA)

COUNTY OF GREENVILLE)

ORDINANCE NO. O-18-20

CITY OF TRAVELERS REST)

AN ORDINANCE TO BE APPLIED ONLY TO THE USE OF RESIDENTIAL DWELLING UNITS FOR SHORT TERM RENTALS.

Purpose

The City of Travelers Rest is committed to working to protect the traditional quality of life and character of residential neighborhoods. Concerns about permitting short-term residential rentals include, but are not limited to, concerns about increased traffic, noise, trash, and parking needs; safety issues created by increased traffic and population density; residences potentially standing empty for long periods for time; negative impacts on the volume of available and affordable family residential housing stock; and other undesirable changes to the traditional nature of the city's neighborhoods. This article provides a registration and inspection process governing all short-term residential rentals, for the purposes of balancing the protection of existing residential neighborhoods and residents with allowing a limited use of residences for short-term residential rentals, and for implementing life safety standards.

Definitions.

Dwelling – any building used exclusively for human habitation, including any permitted home occupation but excluding hotels, motels, and rooming and boarding houses.

Improved surfaces. areas surfaced with asphalt, concrete, bituminous or other alternative paving material, including grass pavers, porous concrete, and other similar materials, subject to approval by the city. Gravel and other materials similar to gravel are generally not allowed except in areas used for occasional parking, again only as permitted by applicable zoning requirements.

Owner-occupied. A dwelling unit is owner-occupied if a dwelling unit owner uses the dwelling, or part thereof, as his or her primary residence.

Rental day means any day on which a dwelling or any part thereof is rented for any portion of the 24-hour period beginning at 12:00 a.m. and ending at 11:59 p.m. Unrented hours in a 24-hour period cannot be added to any other day to extend the number of days on which a dwelling may be rented as a short-term rental during a calendar year.

Short-term residential rental means the legally permitted accessory use of a dwelling unit or portion thereof for a fee or other compensation for a period less than 30 consecutive rental days. Short-term residential rentals do not include hotels, motels, bed and breakfast establishments, or inns that are subject to and compliant with the city's business license and other applicable Code requirements, nor does the term include rentals longer than 30 days.

Short-term tenant means any person, other than a legal owner, who pays a fee or other compensation in order to occupy a dwelling for 29 or fewer rental days, as defined by this article.

Requirements.

- a. *Registration.* Property owners must register dwelling units with the city prior to renting out a dwelling unit or any part of a dwelling unit for a short-term residential rental. All of the legal

owners of a dwelling unit must complete and sign a form provided by the city for that purpose and pay the annual fee.

- b. The owners must provide information concerning the dwelling location, ownership, contact information, and the number of short-term rental units in the dwelling, and must agree to comply with the requirements of this article. The city may request additional registration information, as it deems necessary.
- c. When registering, the owner(s) must provide the city with the number of days each dwelling or any part of the dwelling was rented as a short-term residential rental during the preceding calendar year.
- d. Registrations are non-transferrable. If ownership of a registered dwelling changes, the new owner(s) must complete a new registration form before renting out any part of the dwelling for a short-term rental and must pay the annual fee.
- e. If a residence is not owner-occupied, the owner(s) must provide the name of a person, firm, or corporation located within a 50-mile radius of the City of Travelers Rest responsible for the care and maintenance of the residence and who can be contacted in case of emergency or in case issues arise.
- f. Registration permits are exempted if the property is rented no more than two times per year for a total period of no more than two weeks (14 days).
- a. *Annual registration and fee.* The annual registration fee is \$250.00 per dwelling unit regardless of the point in a calendar year that a registration is obtained. The registration year runs from April 15 to April 14 of the following year. All short-term rental registrations expire on April 14 each year. No registration fees are to be prorated or refunded.
- b. *Signage and proof of registration.* No dwelling unit used as a short-term rental in a residential district may display a sign advertising that rental.
- c. *Occupancy.* Maximum occupancy for a short-term residential rental dwelling is two persons per bedroom or 8 guests total, whichever is less.
- d. *Property owner(s), persons in charge, and tenants.* Registration of a short-term rental residence will not be allowed if the residence is not owner-occupied, or if the owners of a non-owner-occupied residence have not identified a person in charge. A person in charge, who may or may not be an owner, must reside in or have an office within a 50-mile radius of the city and be able to act as the agent for the owner(s). The city must be notified in writing within 14 days of the change if there is a change of ownership or in the identity of the person in charge.
- e. Owners and persons in charge must maintain all short-term rental residences under their ownership and/or control in compliance with all applicable city ordinances and regulations.
- f. Owners, persons in charge, and tenants shall be liable for violations of laws and/or ordinances, including, but not limited to, occupancy violations, at rental residences under their ownership, control, or occupancy.
- g. *Parking.* Off-street parking spaces and vehicular use areas are subject to zoning requirements. All parking for tenants must be contained on site and only on improved surfaces. During rentals, no parking for owners, occupants, tenants, or guests may be located on unimproved surfaces. Unimproved surfaces include, but are not limited to, grassed, wooded, dirt, and mulched surfaces, as well as any other parking surfaces not in compliance with applicable City Code requirements.
- h. *Safety and damages.* Property owners are responsible for their own safety and insurance needs, as well as the safety and sanitation needs of their tenants. By providing a registration process allowing property owners to conduct short-term rentals of dwellings and/or by

providing a compliance inspection service, the city is not assuming responsibility for safety or liability related to rental activities.

- i. *Life, safety and sanitation requirements.* For purposes of this article, the following standards apply to short-term residential rentals and must be met prior to being issued a registration:
 1. *9-1-1 numbers* - Minimum three inches tall and readily visible and legible from the street.
 2. *Trash cans and storage of solid waste* - One trash cart and one recycling cart with a designated storage location for the roll cart behind the front building line.
 3. *Property Maintenance* - Property exteriors shall comply with all adopted city codes.
 4. *Doors and windows* - Individual dwelling units must have access directly to the outside or to a common corridor. Sleeping rooms must have at least one operational window for egress. Windows in first floor sleeping rooms shall have a minimum opening of 5.0 square feet. Windows in second floor sleeping rooms shall have a minimum opening of 5.7 square feet.
 5. *Stairs, rails, porches, decks* - A graspable handrail is required for four or more stairs whether indoors or out. Guardrails are required on decks over 30 inches above grade, must be a minimum of 36 inches in height and not have any openings between pickets or rails that exceeds four inches. Porches and decks shall not have apparent structural damage or broken or missing rails or steps. No exposed risers are allowed on stairs over 30 inches in height whether indoors or out.
 6. *Swimming pools/spas* - Swimming pools and spas shall be enclosed and include a self-closing and self-latching gate of 48 inches minimum height.
 7. *Electrical service and electrical hazards* - Electrical service shall be provided through the public service provider. All bathrooms, exterior outlets, non-dedicated kitchen outlets within six feet of kitchen sink shall be ground-fault protected. Missing or cracked plates on switches or outlets shall be repaired.
 8. *Ceilings* - Habitable spaces and hallways must have a clear ceiling height of not less than seven feet. Ceilings shall not have any apparent visual defects, evidence of mold or mildew, or holes with exposed wiring or insulation.
 9. *Walls* - Walls shall not have any apparent visual defects, evidence of mold or mildew, or holes with exposed wiring or insulation.
 10. *Floors* - Floors shall not have any apparent visual defects, evidence of mold or mildew, or soft spots.
 11. *Sink* - In kitchen with hot and cold running water. Hot water to be at least 85 degrees and not to exceed 120 degrees.
 12. *Stove or range* - Stoves and ranges shall be free of apparent hazards. Combustible material must be at least 30 inches above the heat source. Anti-tip device must be installed for freestanding units.
 13. *Toilet* - Flushing and leak free in a room affording privacy.
 14. *Wash basin* - Operational and leak free equipped with hot and cold running water. Hot water to be at least 85 degrees and not to exceed 120 degrees.
 15. *Tub or shower* - Must be operational and equipped with hot and cold running water in a room affording privacy. Hot water to be at least 85 degrees and not to exceed 120 degrees.
 16. *Ventilation in bathroom* - Bathrooms must have a window or mechanical ventilation and not have an evidence of mold or mildew.

17. *Smoke detectors* - Every bedroom and adjoining hallway as well as the common areas shall be equipped with an operational, approved listed smoke detector. In units containing more than one story, detectors are required on each story.
 18. *Fire extinguisher* - Minimum five-pound ABC fire extinguisher that is fully charged and not past expiration date.
 19. *Evacuation plan* - Each room used for sleeping shall have an evacuation plan posted on the door.
 20. *Heating equipment* - Operational heating facilities capable of maintaining a room temperature of 70 degrees.
 21. *Evidence of infestation* - Premises shall appear free of rats, mice, roaches or other vermin.
 22. *Interior stairs and common halls* - Stairs and halls shall not have apparent damage or missing rails or steps. No exposed risers are allowed on stairs over 30 inches in height whether indoors or out.
 23. *Carbon Monoxide Detector* - Carbon Monoxide Detector will be required and properly installed in all units that have attached garage and/or gas appliances.
- g. *Compliance inspections.* Properties may enter into the program at any point. However, annual compliance inspections of short-term residential rentals shall begin January 1, and will be required each year thereafter. Short-term rental inspections will be conducted from January 1 to April 14 each year. Property owners must arrange with the city for on-site inspections of short-term rental properties prior to the use of a dwelling for short-term rental purposes. Properties that do not pass inspection may not be used for short-term rentals until successfully completing inspection. Properties that do not pass inspection must correct all defects noted on the inspection report and schedule a reinspection of the property.
- h. *Accommodations, sales, and income taxes.* There are federal, state, county, and/or city laws and rules for collection of sales, accommodations, and income taxes. Owners, operators, lessors, occupiers, and/or tenants of dwellings used for short-term rentals are solely responsible for payment of all applicable taxes.

Violations.

Depending on severity, violations of this article may result in immediate revocation of the registration of a dwelling unit or dwelling units. Absent the need for immediate revocation, a formal written warning shall be issued for a first violation. However, if there is an additional violation at the same dwelling within a 12-month period immediately following a warning, registration for that dwelling shall be revoked for 12 months to begin with the start of the next calendar year. Warnings, citations, and revocations may be issued to dwelling owners, operators, lessors, agents, occupants, tenants, and/or guests, depending on the nature of the violation. Dwelling unit owners are ultimately responsible for the conduct of their dwelling operators, lessors, agents, occupants, tenants, and guests, regardless of whether the owners are present at the dwelling.

Violations include, but are not limited to:

1. Providing false information about a dwelling or short-term rental to the city;
2. Failure to have a valid registration for any dwelling at a time when it is used in whole or in part as a short-term rental;
3. Violation of any part of this article; and

4. Violation of any applicable ordinance or laws by owners, operators, lessors, agents, occupants, tenants, or guests of short-term rentals (examples include, but are not limited to, violations of ordinances and laws concerning noise, disorderly conduct, littering, underage drinking, drug offenses, public drunkenness, traffic and parking, and all other criminal and nuisance offenses).

penalties.

Revocation of registration - If it is determined a registration should be revoked, the city administrator or authorized designee shall notify the property owner(s) of the decision by written notice sent by certified mail or delivered in person. The notice shall set forth the effective dates of any revocation, the reason for any revocation, the penalties that may be imposed for violation of any revocation, and any applicable appeal rights, deadlines, and filing procedures. Notification will be sent to the property owner at the contact address provided in the registration application.

Appeals shall be submitted in writing with within 10 days of receipt of notice. All appeals of the Administrators decision shall take place before City Council for the purpose of determining whether to revoke registration.

Unless otherwise provided herein, upon conviction, the violation of this section shall be punishable by a fine or imprisonment as set forth in Section 1.12.510 of this code.

Severability, savings, and effective date.

- a. *Severability.* A determination of invalidity or unconstitutionality by a court of competent jurisdiction of any clause, sentence, paragraph, section or part, of this article shall not affect the validity of the remaining parts of the article.
- b. *Savings.* Any enforcement action which is pending on the effective date of this article and which arose from a violation of an ordinance repealed by this article, or a prosecution which is started within one year after the effective date of this article arising from a violation of an ordinance repealed by this article, shall be tried and determined exactly as if the ordinance had not been repealed.
- c. *Effective date.* This article is effective on _____

DONE, RATIFIED AND PASSED this 15th day of October, 2020.

Public Works Summary for September 2020

- **Sanitation:** Still Tracking complaints on ACE. We had 15 calls for brush pick up with 5 complaints.
- **Road and Bridge:** SCDOT was notified of four complaints. The city was notified of and repaired four potholes and five other complaints about line of sight issues and over grown intersection. Two encroachment permits were signed.
- **Animal Control:** four complaints were reported with four impoundments. Three cats were trapped and one dog picked up.
- **Sewer:** fifteen sewer inspections were conducted. Two sewer evaluations were conducted on lots in the city. One complaint in reference to septic back up tank was pumped. One complaint about a sewer service backed up. Line was jetted and cleared.
- **Building / Grounds Maintenance:** Versco is performing extra cleanings and disinfecting of the facility to keep our customers and employees safe as possible. The sink in the lobby restroom was repaired. A dehumidifier was placed in council chambers to help with the humidity issue in there. We have received a quote from General Heating on installing a Dehumidifier in the council chambers.
- **Miscellaneous Items** Mulch was installed on Main Street on the side that was not covered by the contractor and at the Museum.
- **Environmental:** We had seven environmental complaints and we were able to close out one of these. See attached report for a total open and closed cases for the month of September.
- **SC 811:** The Month of September we had a total of one hundred seventy-two locates come through. This number will continue to rise due to the building around the city.

MEMORANDUM

TO: City Council
FROM: Eric Vinson, City Administrator
DATE: October 5th, 2020
SUBJECT: Employee Health Insurance Benefits

For our upcoming health insurance benefits year, beginning November 1st, 2020, I'm excited announce that we are able to provide a more comprehensive health benefits package to city employees with a few new enhanced benefits.

Below is a summary of the proposed new options and additions to our health benefits package.

- **Increased City Contribution for Family/Dependent Coverage** – Due to our plan structure we are achieving some savings in premiums. These savings are allowing us to increase the city's contribution toward family coverage from 50% to 55%. If the City achieves additional premium savings 12k we can increase city contribution to 60% for family/dependent coverage.
- **Health Savings Account (HSA) Plan** – This is an optional health insurance plan for employees that would like to take advantage of a tax-free Health Savings Account (HSA). An HSA is a type of savings account that lets you set aside money on a pre-tax basis to pay for qualified medical expenses. By using untaxed dollars in a Health Savings Account (HSA) to pay for deductibles, copayments, coinsurance, and some other expenses, employees may be able to lower their

overall health care costs. The city will also match up to \$1,000 in contributions for participating employees.

- **Employee Assistance Program (EAP)** – This is a new voluntary benefit provided by Principal Insurance. This EAP gives employees access to resources to help them handle life’s everyday—and not so every day—challenges. Employees and their immediate families will have access to free, confidential service, as well as referrals to supportive and community resources. It offers free and confidential assessments, short-term counseling and follow-up services to employees who have personal and/or work-related problems. EAPs address a broad and complex body of issues affecting mental and emotional well-being, such as alcohol and other substance abuse, stress, grief, family problems.
- **Eliminate Tobacco Surcharge** – The City is currently paying a tobacco surcharge for all tobacco users. This year’s plan shifts the tobacco surcharge to the tobacco users. This city will achieve considerable savings by eliminating the tobacco surcharge and passing this cost along to the tobacco users. The City will reinvest these savings into a more comprehensive health benefits plan and increased contribution for family/dependent coverage.
