As the specific request is no longer needed, I am withdrawing an amendment to the zoning ordinance relative to nursery schools previously requested by Councilor Le Page. The amendment would have modified the table of uses and remove language requiring outdoor play space.

The matter will be discussed as part of the larger zoning modifications being prepared at this time. The matter was withdrawn from the Planning board and the City Council hearing is no longer needed.

Thank you for your attention to this matter.

Dear Mr. Gullo,

I would like to submit an offer of \$500 to purchase the small piece of vacant land that abuts my property. The parcel of land is 528-11-178. The city is not collecting taxes on this parcel at the present time and this would help the city out for tax purposes.

If you or your department is not the proper place to submit this, would you please forward my offer to the appropriate person or department?

I can be reached at the number or email listed below.

Thank you in advance for your consideration of my offer to purchase this piece of land.

Sincerely,
