## RESOLUTION

### DEDICATING CITY OF CHARLESTON MUNICIPAL COURTROOM IN HONOR OF JUDGE RICHARD E. FIELDS

**WHEREAS,** Judge Richard E. Fields was born and raised in Charleston, South Carolina. He graduated high school at Avery Institute and attended West Virginia State College (now West Virginia State University) and graduated with a Bachelor of Science degree in Business Administration in 1944. He then entered Howard University School of Law, graduating with a degree of Bachelor of Laws in 1947. Judge Fields passed the Bar and was admitted to practice law in the District of Columbia and the State of South Carolina; and,

**WHEREAS,** after working as a waiter in Washington, D.C. during and after graduation from Howard University, Judge Fields began the practice of law Charleston, South Carolina, in April 1949. He was the first black person to open a law office in Charleston since the early 1900s and was one of only two persons of color practicing law in the State of South Carolina at that time; and,

**WHEREAS,** Judge Fields married the late Myrtle T. Evans, a Charleston County Public School teacher, in 1951. They have two children: a daughter, Mary Diane Fields Reed, married to Michael J. Reed and a graduate of Fisk University and the University of South Carolina School of Law; and a son Richard E. Fields, Jr. a graduate of Howard University; and,

**WHEREAS,** Judge Fields' life has been devoted to many remarkable religious, civic and political pursuits. Among many religious activities, when he returned to Charleston, Judge Fields resumed his membership in the historic Centenary Methodist Church which after a church merger became a United Methodist Church. He served as treasurer of the Church for more than 50 years. He was the church's delegate to the South Carolina Annual Conference for more than fifty years. When the white and black conferences merged in the late 1960s and early 1970s, Judge Fields was a member of the Merger Committee in South Carolina; and,

**WHEREAS**, in 1952, Judge Fields was elected to the Board of Trustees of Claflin College (now Claflin University). He represented the University as its attorney and served on many of its committees during his almost fifty years on the Board. In 1992, he established the Richard E. Fields and Myrtle E. Fields Scholarship. Among other civic activities throughout his career, he served on the Board of Directors of the Charleston County Chamber of Commerce, of Bon Secours-St. Francis Hospital, the Charleston County United Way, and the Florence Crittenden Home, and, with several businessmen established the Liberty National Bank and served on its Board of Directors for a number of years. He was also a member of the Committee to establish the Charleston School of Law; and,

**WHEREAS**, in 1969, Judge Fields was elected Municipal Judge for the City of Charleston and served in that position until 1975. When nominated to the position, the City Council minutes reflect that there was “no attorney who fights his cases more diligently, deserves the job more highly, or would add more to the present city administration” than Judge Fields. At this time the time of his election, Judge Fields was believed to have been the first black elected judicial official in the entire southeast. He was thereafter elected Judge of the Family Court of Charleston County. He held that position until 1980 when he was elected Judge of the Circuit Court of South Carolina, where he served until his retirement in 1992; and,

**WHEREAS**, while serving as Municipal Judge for the City of Charleston, Judge Fields handled many diverse and challenging cases. Among those were the hospital strike cases. For several months, Judge Fields heard cases in the City’s municipal courtroom at night, adjudicating the cases involving the protestors. The defendants were mostly students and a few members of the Student Non-Violent Coordinating Committee (SNCC) including Reverend Abernathy; and,

**WHEREAS**, while sitting on the Municipal Court bench, Judge Fields handled the hospital strike cases and every other case that came before him with patience, open-mindedness, courtesy, compassion, and common sense. He was willing to do what the law required him to do even though the course he followed was not always a popular one. In issuing his rulings, Judge Fields was not influenced by the identity, race, gender, political status, wealth or relationship of the party or lawyer before him; and,

**WHEREAS**, City Council has determined that it is fitting to honor Judge Fields for his lifetime of personal, professional and civic commitment to the City of Charleston, and in particular to his service as a Municipal Judge, by dedicating a courtroom at the Municipal Court Complex, 180 Lockwood Blvd., in his honor.

**NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF CHARLESTON, IN CITY COUNCIL ASSEMBLED THAT JUDGE FIELDS SHALL BE RECOGNIZED FOR HIS MANY OUTSTANDING CONTRIBUTIONS TO THE CITY OF CHARLESTON INCLUDING HIS SERVICE AS MUNICIPAL JUDGE BY DEDICATING A COURTROOM AT THE MUNICIPAL COURT COMPLEX IN HIS HONOR TO BE KNOWN AS THE “HON. RICHARD E. FIELDS COURTROOM.”**

# Development Guidelines for Sheppard Street PUD

## 1. Relationship to the Official Zoning Ordinance

The Development Guidelines and Land Use Plan attached hereto and made a part hereof for the Sheppard Street Planned Unit Development (“**Sheppard Street PUD**”) are part of the PUD Conditional Use Master Plan Application submitted in accordance with the Zoning Ordinances of the City of Charleston, Article 2, Part 7, Sections 54-250, et seq. The Zoning Ordinance of the City of Charleston is incorporated herein by reference, except as amended herein.

No person shall erect or alter any building, structure or sign on any tract of land or use any tract of land within the Sheppard Street PUD except in conformance with these guidelines and regulations. Unless modified herein, definitions of terms used in the Sheppard Street PUD Development Guidelines shall follow definitions listed in the Zoning Ordinances of the City of Charleston, as amended from time to time. Administration and enforcement of the adopted The Sheppard Street PUD Development Guidelines shall follow Article 9 of the Zoning Ordinance of the City of Charleston.

The Sheppard Street PUD was approved by Charleston City Council on \_\_\_\_\_, 2020, Ordinance Number \_\_\_\_\_.

## 2. Introduction

### 2.1 *Project Location*

The site is located in downtown Charleston bounded by Sheppard Street to the South, King Street to the East, and the Septima Clark Parkway to the North and West. The property is located within areas designated as Urban and Urban Core under the Century V Update to the City’s Comprehensive Plan.

### 2.2 *Area*

The property contains in aggregate approximately 1.386 acres.

2.3 *TMS No.s* 460-04-04-074 (known as 677 King Street, owned by King and Sheppard Partners, LLC), 460-04-04-078 and 460-04-04-080 (known as 82, 86, and 88 Sheppard Street and 264 and 266 St. Philip Street, owned by Sheppard Parking LLC), 460-04-04-086 (known as 90, 92 and 94 Sheppard Street and 285 and 287 St. Philip Street, owned by Lowcountry Marketing Group, LLC), and a portion of St. Philip Street.

2.4 *Owners and Developers* are King and Sheppard Partners, LLC, Sheppard Parking LLC, and Lowcountry Marketing Group, LLC.

## Development Guidelines for Sheppard Street PUD

### 2.5 *Current Zoning*

The current zoning is General Business (GB) District (other than one building site zoned Limited Business (LB) District), which is intended to permit a broad range of commercial uses and activities in urban areas of the city.

The parcel identified as TMS No. 460-04-04-074 (known as 677 King Street, owned by King and Sheppard Partners, LLC) is also within the Accommodations Overlay Zone, A-1, allowing for a fifty (50) room hotel.

### 2.6 *Background Information*

The site is located in the middle of the junction of the Septima Clark Parkway (Highway 17) and the beginning of Interstate 26. It is straddled on both sides by the ramps leading to the elevated highway and is effectively cut off from the neighborhoods to the south, north, and west.

The City of Charleston (“City”) is nearing completion of its drainage system project at the western end of the site. This drainage shaft area will remain open as an access point for maintenance of the drainage facilities.

A half-block stub portion of St. Philip Street extends northwards from Sheppard Street within the site but does not connect to any other street.

The buildings on the site have been vacant for the past two years. They were most recently used for student rentals. Some of the buildings are in need of extensive repair to be habitable again. Several of the buildings date from the early 1900’s, when Sheppard Street was first developed. The historic building at 94 Sheppard Street is in a severely deteriorated condition and will require a complete restoration.

### 2.7 *Development Summary*

The proposed initial redevelopment plan for the site includes (1) construction of a new mixed use building fronting on King Street with parking in the rear, and (2) restoration of the older residential buildings currently located along Sheppard Street and St. Philip Street.

The proposed new building fronting on King Street is intended for office, retail, or other uses as allowed in the General Business (GB) zoning district. This portion of the site is currently a vacant lot.

The older buildings along Sheppard Street and St. Philip Street are in need of extensive repairs and restoration. These older buildings are intended to be restored, and one of the existing buildings may be relocated on-site as part of a cluster of buildings with a central driveway alley and area for parking or private open space. These buildings are intended to be used for accommodations use with up to thirty

## Development Guidelines for Sheppard Street PUD

(30) units, or longer term residential or other permitted use. To allow for this accommodations use, the portion of the site fronting on King Street which is currently within the Accommodations Overlay Zone permitting a fifty (50) room hotel would be removed from the Accommodations Overlay Zone, and the portion of the site at the west end would be permitted to have not more than thirty (30) accommodations units.

In connection with re-orienting the existing buildings, property lines within the site would be adjusted, and the stub portion of St. Philip Street would be abandoned by the City (after the SC Department of Transportation conveys its interest to the City) as it would no longer be needed for access to individual lots and will allow for more efficient access and parking.

### 2.8 *Goals for the Project*

The Sheppard Street PUD is designed to re-establish a vibrant, mixed use development area within a block of the city that was effectively cut off from surrounding neighborhoods long ago by the interchange of Highway 17 and Interstate 26. Among other benefits, the proposed project would restore historic buildings, add new office and other commercial space on a vacant portion of King Street, and reduce the allowed number of accommodations/hotel units on the overall site from fifty (50) to thirty (30) units. Because of the location, surrounding highway ramps, size, shape, and other constraints of the site, the Sheppard Street PUD is an appropriate zoning designed to provide the flexibility to achieve these goals.

## 3. Land Use

### 3.1 *Development Pods*

The Sheppard Street PUD consists of two development pods: (1) the Mixed Use Area and (2) the Accommodations/Residential Area, as set forth on the Land Use Plan attached hereto.

### 3.2 *Area Breakdown (approximate calculations)*

<b>Mixed Use Area</b>	1.061 Ac
<b><u>Accommodations/Residential Area</u></b>	<b>0.325 Ac</b>
Gross Area	1.386 Ac

Water and Sewer Availability to TMS460-04-04-074  
Re: Commercial Multi Unit

This letter is to certify our willingness and ability to provide water and sewer service to the above referenced site in Charleston County, South Carolina. CWS currently has a 6" cast iron water main in the right of way on Sheppard St. a 10" ductile iron water main in the right of way on King St., an 8" vitrified clay gravity sewer main in the right of way on Sheppard St., and an 8" vitrified clay gravity sewer main in the right of way on King St.

It will of course be a developer responsibility to ensure there are adequate pressures and quantities on the existing mains to serve this site with domestic water fire flow and not negatively impact the existing developments. It will also be a developer's responsibility to ensure there is sufficient capacity in the existing mains to receive the newly proposed sewer flow. Please be advised any extensions or modifications to the infrastructure as well as any additional fire protection will be a developer's expense. All fees and cost associated with providing service to this site will be a developer expense and will be due prior to connection of any Charleston Water System's water system. This letter does not reserve capacity in the Charleston Water System infrastructure and it is incumbent upon the developer or his agent to confirm the availability herein granted past 12 months of this correspondence.

The Charleston Water System certifies the availability of service only insofar as its rights allow. Should access to our existing main/mains be denied by appropriate governing authorities, the Charleston Water System will have no other option than to deny service.

This letter is not to be construed as a letter of acceptance for operation and maintenance from the Department of Health and Environmental Control.

If there are any questions pertaining to this letter, please do not hesitate to call on me at (843) 727-7118.

Sincerely,

INFORMATION - THIS PAGE NOT TO BE RECORDED

Except as provided in this paragraph, the term "value" means "the consideration paid or to be paid in money or money's worth for the realty". Consideration paid or to be paid in money's worth includes, but is not limited to, other realty, personal property, stocks, bonds, partnership interest and other intangible property, the forgiveness or cancellation of a debt, the assumption of a debt, and the surrendering of any right. The fair market value of the consideration must be used in calculating the consideration paid in money's worth. Taxpayers may elect to use the fair market value of the realty being transferred in determining fair market value of the consideration. In the case of realty transferred between a corporation, partnership, or other entity and a stockholder, partner, or owner of the entity, and in the case of realty transferred to a trust or as a distribution to a trust beneficiary, "value" means the realty's fair market value. A deduction from value is allowed for the amount of any lien or encumbrance existing on the land, tenement, or realty before the transfer and remaining on the land, tenement, or realty after the transfer. Taxpayers may elect to use the fair market value for property tax purposes in determining fair market value under the provisions of the law.

*Exempted from the fee are deeds: Section 12-24-40*

- (1) transferring realty in which the value of the realty, as defined in Code Section 12-24-30, is equal to or less than one hundred dollars;
- (2) transferring realty to the federal government or to a state, its agencies and departments, and its political subdivisions, including school districts;
- (3) that are otherwise exempted under the laws and Constitution of this State or of the United States;
- (4) transferring realty in which no gain or loss is recognized by reason of Section 1041 of the Internal Revenue Code as defined in Section 12-6-40(A);
- (5) transferring realty in order to partition realty as long as no consideration is paid for the transfer other than the interests in the realty that are being exchanged in order to partition the realty;
- (6) transferring an individual grave space at a cemetery owned by a cemetery company licensed under Chapter 55 of Title 39;
- (7) that constitutes a contract for the sale of timber to be cut;
- (8) transferring realty to a corporation, a partnership, or a trust in order to become, or as, a stockholder, partner, or trust beneficiary of the entity provided no consideration is paid for the transfer other than stock in the corporation, interest in the partnership, beneficiary interest in the trust, or the increase in value in such stock or interest held by the grantor. However, the transfer of realty from a corporation, a partnership, or a trust to a stockholder, partner, or trust beneficiary of the entity is subject to the fee even if the realty is transferred to another corporation, a partnership, or trust.
- (9) transferring realty from a partnership to a partner or from a family trust to a beneficiary, provided no consideration is paid for the transfer other than a reduction in the grantee's interest in the partnership or trust. A "family partnership" is a partnership whose partners are all members of the same family. A "family trust" is a trust, in which the beneficiaries are all members of the same family. The beneficiaries of a family trust may also include charitable entities. "Family" means the grantor and the grantor's spouse, parents, grandparents, sisters, brothers, children, stepchildren, grandchildren, and the spouses and lineal descendants of any of the above. A "charitable entity" means an entity which may receive deductible contributions under Section 170 of the Internal Revenue Code as defined in Section 12-6-4(A);
- (10) transferring realty in a statutory merger or consolidation from a constituent corporation to the continuing or new corporation;
- (11) transferring realty in a merger or consolidation from a constituent partnership to the continuing or new partnership; and,
- (12) that constitute a corrective deed or a quitclaim deed used to confirm title already vested in the grantee, provided that no consideration of any kind is paid or is to be paid under the corrective or quitclaim deed.
- (13) transferring realty subject to a mortgage to the mortgagee whether by a deed in lieu of foreclosure executed by the mortgagor or deed executed pursuant to foreclosure proceedings.
- (14) transferring realty from an agent to the agent's principal in which the realty was purchased with funds of the principal, provided that a notarized document is also filed with the deed that establishes the fact that the agent and principal relationship existed at the time of the original purchases as well as for the purpose of purchasing the realty.
- (15) Transferring title to facilities for transmitting electricity that is transferred, sold, or exchanged by electrical utilities, municipalities, electric cooperatives, or political subdivisions to a limited liability company which is subject to regulation under the Federal Power Act (16 U.S.C. Section 791(a) and which is formed to operate or to take functional control of electric transmission assets as defined in the Federal Power Act.

7. City shall have the right, but not the obligation, to request from the Corps and DHEC modifications or amendments to the scope of permitted activities under the declarations described in Paragraph 6 without the consent of Owner; provided, however, such requests may not adversely impact Owner's rights under permits received by Owner from the Corps or DHEC.

8. Subject to compliance with the declarations described in Paragraph 6, and Owner's receipt of any approvals, consents, or waivers required thereunder from the Corps or DHEC, Owner hereby retains the right to access and use the Easement Area for any purpose deemed necessary by Owner, so long as such access and use does not unreasonably interfere with the City's rights under this Agreement.
