Note: Requests for additional time, stating the basis for the request, must be submitted to the staff no later than two days prior to the hearing. The Chair will announce its decision at the outset of the hearing.

1. BALL HOMES, INC. (AMD) ZONING MAP AMENDMENT & BLACKFORD PROPERTY (PHASE 4) ZONING DEVELOPMENT PLAN

- a. PLN-MAR-19-00003: BALL HOMES, INC. (AMD) (8/22/19)*- a petition for a zone map amendment from a Community Center (CC) zone to an Expansion Area Residential (EAR-2) zone, for 16.53 net (17.14 gross) acres, and to an Expansion Area Residential (EAR-3) zone, for 8.09 net and gross acres, for property located at 6600 Man O' War Blvd.

COMPREHENSIVE PLAN AND PROPOSED USE

The Expansion Area Master Plan (EAMP), an adopted element of the 2013 Comprehensive Plan (Expansion Area 2a), recommends Community Center (CC) land use for the subject property. The petitioner proposes to rezone the subject property to the Expansion Area Residential – 2 (EAR-2) and the Expansion Area Residential – 3 (EAR-3) zones to allow an apartment complex development, comprised of 10 3-story and 4-story apartment buildings, at an average residential density of 12.84 units per gross acre, with a total 324 dwelling units. Within the remaining CC zoned land, the applicant is proposing a 3-story mixed-use building with 16 dwelling units and 11,600 square feet of non-residential space.

The Zoning Committee Recommended: **Approval** to the full Commission.

The Staff Recommends: **Approval**, for the following reasons:

1. The requested rezoning is not in agreement with the adopted Land Use Element of the Expansion Area Master Plan (EAMP). However, the Expansion Area 2a retains approximately the same number of planned acres of CC zoned land necessary for the development of services for the residents in the area.
 2. There have been social, economic and physical changes within the immediate area since the adoption of the EAMP and the 2013 Comprehensive Plan. This is primarily the result of the three zone changes within the Expansion Area 2a that have modified the Land Use Element of the EAMP.
 3. The proposal to increase density within Expansion Area 2a meets the Goals and Objectives of the 2018 Comprehensive Plan, for the following reasons:
 - a. The requested rezoning to EAR-2 and EAR-3 expands housing choices (Theme A, Goal #1) by providing mixed-use and housing near employment and commercial areas (Theme A, Goal #1.b).
 - b. The proposed rezoning encourages compact, contiguous, and/or mixed-use sustainable development within the Urban Services Area, as guided by market demand, to accommodate future growth needs for safe, affordable and accessible housing to meet the needs of older and/or disadvantaged residents (Theme E, Goal #1.b).
 - c. The proposed rezoning and the corollary plan strive for positive and safe social interactions in neighborhoods, including, but not limited to, neighborhoods that are connected for pedestrians and various modes of transportation (Theme A, Goal #3.b).
 4. This recommendation is made subject to approval and certification of PLN-MJDP-19-00009: Blackford Property (Phase 4) prior to forwarding a recommendation to the Urban County Council. This certification must be accomplished within two weeks of the Planning Commission's approval.
- b. PLN-MJDP-19-00009: BLACKFORD PROPERTY (PHASE 4) (8/22/19)* - located at 6600 MAN O' WAR BLVD., LEXINGTON, KY.
Project Contact: EA Partners

Note: The Planning Commission postponed this item at their May 23, 2019 meeting. The purpose of this amendment is to propose a rezoning of the property.

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

The Subdivision Committee Recommended: **Approval**, subject to the following conditions:

1. Provided the Urban County Council rezones the property EAR 2 & EAR 3; otherwise, any Commission action of approval is null and void.
2. Urban County Engineer's acceptance of drainage, storm and sanitary sewers, and floodplain information.
3. Urban County Traffic Engineer's approval of parking, circulation, access, and street cross-sections.
4. Urban Forester's approval of tree inventory map.
5. Greenspace Planner's approval of the treatment of greenways and greenspace.
6. Department of Environmental Quality's approval of environmentally sensitive areas.
7. Remove optional access through LFUCG property.
8. Revise note #11 to include the Division of Traffic Engineering.
9. Denote improvements to Man o' War Boulevard on proposed cross-section.
10. Include Community Center (CC) zone site statistics per Article 21 & 23A-9 of the Zoning Ordinance.
11. Resolve compliance with Article 23A-2(r)2 of the Zoning Ordinance (landscape buffer).
12. Resolve land use relationships as recommended by the Expansion Area Master Plan (EAMP).

2. **BALL HOMES, INC ZONING MAP AMENDMENT & HAMBURG EAST (BELHURST) ZONING DEVELOPMENT PLAN**

- a. PLN-MAR-19-00010: BALL HOMES, INC (9/1/19)*- a petition for a zone map amendment from an Agricultural Rural (A-R) zone to an Expansion Area Residential (EAR-1) zone, for 19.84 net (21.22 gross) acres and an Expansion Area Residential (EAR-2), for 18.42 net (19.27 gross) acres, for property located at a portion of 2575 Polo Club Boulevard.

COMPREHENSIVE PLAN AND PROPOSED USE

The 2018 Comprehensive Plan, Imagine Lexington, seeks to provide flexible yet focused planning guidance to ensure equitable development of our community's resources and infrastructure that enhances our quality of life, and fosters regional planning and economic development. This will be accomplished while protecting the environment, promoting successful, accessible neighborhoods, and preserving the unique Bluegrass landscape that has made Lexington-Fayette County the Horse Capital of the World.

The petitioner has requested a zone change from an Agricultural Rural (A-R) zone to an Expansion Area Residential-1 (EAR-1) zone for 19.84 net (21.22 gross) and an Expansion Area Residential-2 (EAR-2) zone for 18.42 net (19.27 gross) acres for the rear portion of the property located at 2575 Polo Club Blvd. The proposed development consists of 89 detached single family dwelling units and 56 attached single family dwelling units, for an average density of 3.58 dwelling units per gross acre.

The Zoning Committee Recommended: **Postponement** to the full Commission.

The Staff Recommends: **Postponement**, for the following reasons:

1. The zone change application for the subject property, as proposed, does not address how the petitioner will implement the goals and objectives, nor the policies of the 2018 Comprehensive Plan. Further, the applicant would be best served to review The Placebuilder to address those policies in the most efficient and judicious manner. There are numerous objectives and policies of the 2018 Comprehensive Plan, which have been overlooked. Until the applicant addresses the adopted Comprehensive Plan in a complete manner the staff cannot offer a substantive recommendation.
 2. The zone change application does not adequately describe the inappropriateness of the Agricultural Rural (A-R) zoning.
- b. PLN-MJDP-19-00036: HAMBURG EAST (BELHURST) (9/1/19)* - located at a portion of 2575 POLO CLUB BOULEVARD, LEXINGTON, KY.
Project Contact: EA Partners

The Subdivision Committee Recommended: **Postponement**. There are questions regarding the proposed street system and alignment.

Should this plan be approved, the following requirements should be considered:

1. Provided the Urban County Council rezones the property EAR 1 & 2; otherwise, any Commission action of approval is null and void.
2. Urban County Engineer's acceptance of drainage, storm and sanitary sewers, and floodplain information.
3. Urban County Traffic Engineer's approval of parking, circulation, access, and street cross-sections.
4. Urban Forester's approval of tree inventory map.
5. Greenspace Planner's approval of the treatment of greenways and greenspace.
6. Department of Environmental Quality's approval of environmentally sensitive areas.
7. Correct plan title to match staff report.
8. Addition of Tree Inventory Map, per Article 26 of the Zoning Ordinance.
9. Discuss Man o' War Boulevard improvements.
10. Discuss proposed local street relationship to the greenway.
11. Discuss proposed townhome access and the relationship to the single family lots.

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

12. Discuss proposed Park Road alignment and cross-section per the Expansion Area Master Plan (EAMP).
13. Discuss single family lot access to Park Road.
14. Discuss Placebuilder criteria.

3. THE CLIFTON, LLC ZONING MAP AMENDMENT & SAUNIER LIVERY ZONING DEVELOPMENT PLAN

- a. PLN-MAR-19-00012: THE CLIFTON, LLC (9/29/19)*- a petition for a zone map amendment from a High Density Apartment (R-4) zone to a Downtown Frame Business (B-2A) zone, for 0.119 net (0.135 gross) acres, for property located at 171 Saunier Street.

COMPREHENSIVE PLAN AND PROPOSED USE

The 2018 Comprehensive Plan, Imagine Lexington, seeks to provide flexible yet focused planning guidance to ensure equitable development of our community's resources and infrastructure that enhances our quality of life, and fosters regional planning and economic development. This will be accomplished while protecting the environment, promoting successful, accessible neighborhoods, and preserving the unique Bluegrass landscape that has made Lexington-Fayette County the Horse Capital of the World.

The petitioner has requested a zone change from a High Density Apartment (R-4) zone to a Downtown Frame Business (B-2A) zone for 0.119 net (0.135 gross) acres for the property located at 171 Saunier Street. The proposed development seeks to retain the current structure and adapt it for special event space.

The Zoning Committee Recommended: **Approval** to the full Commission.

The Staff Recommends: **Approval**, for the following reasons:

1. The requested Downtown Business Frame (B-2A) zone is in agreement with the 2018 Comprehensive Plan's Goals and Objectives, for the following reasons:
 - a. The proposed rezoning supports infill and redevelopment (Theme A, Goal #2), by identifying areas of opportunity for adaptive reuse (Theme A, Goal #2.a), while also respecting the context and design features of surrounding development projects to ensure compatibility with the existing urban form (Theme A, Goal #2.b).
 - b. The proposal seeks to support & showcase local assets to allow for the creation of a variety of jobs (Theme C, Goal #1), while also adding services that promote and enhance tourism in the area (Theme C, Goal #1.d).
 - c. The applicant states that through the inclusion of the use, event space or banquet facility, that they will provide entertainment and other quality of life opportunities that attract young, and culturally diverse professionals, and a work force of all ages and talents to Lexington (Theme C, Goal #2.d).
 - d. The proposed development of the subject property seeks to protect and enhance the natural and cultural landscapes that give Lexington-Fayette County its unique identity and image (Theme D, Goal #3), by protecting historic resources (Theme D, Goal #3.a), including the renovation, restoration and maintenance of a historic commercial structure (Theme D, Goal #3.c).
 2. The justification and corollary development plan are in agreement with the policies and development criteria of the 2018 Comprehensive Plan:
 - a. The proposed rezoning meets the criteria for Site Design, Building Form and Location as the site adaptively reuses an older structure that is located within a highly walkable area. Additionally, the proposed rezoning seeks to add new job opportunities, while increasing potential entertainment and quality of life opportunities that can draw more people into our downtown commercial areas.
 - b. The proposed rezoning meets the criteria for Transportation and Pedestrian Connectivity, as the applicant is working with the surrounding property owners to provide shared parking arrangements that will reduce the proliferation of parking lots in the downtown area.
 - c. The proposed rezoning meets the criteria for Greenspace and Environmental Health as it works with the current landscape, limits the impacts on the surrounding environment, and does not impact the current tree lines and canopy.
 3. This recommendation is made subject to approval and certification of PLN-MJDP-19-00046: Saunier Livery, prior to forwarding a recommendation to the Urban County Council. This certification must be accomplished within two weeks of the Planning Commission's approval.
- b. PLN-MJDP-19-00046: SAUNIER LIVERY (9/29/19)* - located at 171 SAUNIER STREET, LEXINGTON, KY.
Project Contact: Barrett Partners

The Subdivision Committee Recommended: **Approval**, for the following reasons:

1. Provided the Urban County Council rezones the property B-2A; otherwise, any Commission action of approval is null and void.
2. Urban County Engineer's acceptance of drainage, and storm and sanitary sewers.
3. Urban County Traffic Engineer's approval of street cross-sections and access.
4. Landscape Examiner's approval of landscaping and landscape buffers.
5. Addressing Office's approval of street names and addresses.
6. Urban Forester's approval of tree preservation plan.

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

- 7. Division of Fire, Water Control Office's approval of the locations of fire hydrants, fire department connections and fire service features.
- 8. Division of Waste Management's approval of refuse collection locations.
- 9. Documentation of Division of Water Quality's approval of the Capacity Assurance Program requirements, prior to plan certification.

Subsequent to the Technical Committee meeting, Planning Staff completed an evaluation of the Placebuilder development criteria.

- 10. Resolve the following Placebuilder criteria:
 - I. B-SU11-1: Green infrastructure should be implemented in new development. (E-GR3).

C. PUBLIC HEARINGS ON ZONING ORDINANCE TEXT AMEMENDMENTS

- 1. **ZOTA 2019-4: AMENDMENT TO ARTICLE 8: B-2 ZONES FOR TOWN BRANCH COMMONS** - petition for a Zoning Ordinance text amendment to update Article 8 to require compliance with the Town Branch Commons Masterplan and Design Standards in the downtown business zones.

INITIATED BY: Urban County Planning Commission

PROPOSED TEXT: Copies are available from the staff.

The Zoning Committee Recommended: **Approval**.

The Staff Recommends: **Approval**, for the following reasons:

- 1. The proposed text amendment to Article 8 of the LFUCG Zoning Ordinance to require compliance with the Town Branch Commons Masterplan and Design Standards between the Town Branch Commons Corridor and development that is adjacent to, connected to, or interacts directly with the Town Branch Common Corridor supports the Complete Streets concept, prioritizing a pedestrian-first design that also accommodates the needs of bicycle, transit and other vehicles (Theme D, Goal #1.a). Additionally, through the implementation of the Masterplan and the Design Standards, the Urban County will also be providing quality of life opportunities that attract young, and culturally diverse professionals, and a work force of all ages and talents to Lexington (Theme C, Goal #1.d).
- 2. The proposed text amendment will implement Appendix B of the Comprehensive Plan, while also supporting the Policies of the Comprehensive Plan (Growth Policy #2, Livability Policy #8, and Sustainability Policy #4).

VI. COMMISSION ITEMS - The Chair will announce that any item a Commission member would like to present will be heard at this time.

A. PUBLIC HEARINGS ON SUBDIVISION REGULATIONS AMEMENDMENTS

- 1. **SRA 2019-1: UPDATE ARTICLE 6 FOR SIDEWALKS AND SHARE-USE PATHS** – The staff will present the proposed amendment to Article 6 of the LFUCG Subdivision Regulations to update the requirements for sidewalks and shared-use paths.

REQUESTED BY: Urban County Planning Commission

PROPOSED TEXT: Copies are available from the staff.

The Subdivision Committee recommended: **Referral**.

The Staff Recommends: **Approval of the Staff Alternative Text**, for the following reasons:

- 1. The proposed amendment to Article 6 of the Land Subdivision Regulations to update the requirements for sidewalks and shared-use paths will provide a more diverse transportation network with options for residents and visitors to our community, while also promoting economic growth, public health, and the quality of life of the Lexington's current and future residents.
- 2. The proposed text amendment will work to achieve an effective and comprehensive transportation network (Theme D, Goal #1), by supporting the Complete Streets concept, prioritizing a pedestrian-first design that also accommodates the needs of bicycle, transit and other vehicles (Theme D, Goal #1.a).
- 3. The proposed text amendment meets the minimum design standards established by the Kentucky Transportation Cabinet, the United States Access Board, and the Americans with Disabilities Act (ADA).

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

B. Zoning Compliance Planning Activity Report

Enforcement

A total of 41 new case investigations were initiated in July. Just over 73% of the new cases related to illegal business activity in residential areas and signage issues. Most of the signage issues related to an increase in feather flags along some of Lexington's major street corridors. Forty old cases were resolved, meaning that necessary actions were taken by a property owner or occupant to fix a zoning compliance problem. Annual inspections were completed on 19 properties with conditional uses, and all were determined to be in substantial compliance with conditions imposed by the Board of Adjustment.

Permitting

Since January 1, 2012 a Zoning Compliance Permit (ZCP) has been required before a building or premises can be occupied for a specific use or a change in use, with some exceptions for agricultural uses and single family or two-family residences. In July, seven ZCP's were issued, including three for family child care and one for an Airbnb.

Technical assistance was provided to the Division of Building Inspection (at weekly "Review Board" meetings) in review of 4 applications for new commercial or multi-family building construction, and 18 applications for remodel activity, "fit-ups" or change in use requests. Permitting staff also devoted much time to issuing official zoning certification letters (10 for the month), responding to numerous citizen inquiries about a diversity of zoning issues, and providing assistance to citizens with getting through the Accela online application process and "building eye" service.

* - Denotes date by which Commission must either approve or disapprove request, unless agreed to a longer time by the applicant.

Board of Adjustment

Six appeals were fully considered by the BOA at the July 8th public hearing, consisting of four variances (all approved, with some adjustments) and two conditional use requests (both approved). Three of the variance requests were for residential development within the Infill & Redevelopment Area, and one was for landscaping and building setback issues at the Urban Service Area boundary along Todds Road. Conditional uses were for the expansion of the parking lot at Rood & Riddle Equine Hospital, and for an improved parking lot (paved with landscaping and better access) to be used by Windy Corner Market on Muir Station Road.

VIII. AUDIENCE ITEMS – Citizens may bring a planning related matter before the Commission at this time for general discussion or future action. Items that will NOT be heard are those requiring the Commission’s formal action, such as zoning items for early rehearing, map or text amendments; subdivision or development plans, etc. These last mentioned items must be filed in advance of this meeting in conformance with the adopted filing schedule.
