## Annexation Staff Report (ANN 18-02)

### I. THE REQUEST

**Applicant/Owner:** Belk Family Liquidating Trust (William Nock Trustee)  
**Request:** 100% Petition Annexation request +/- 7.12 Acres  
**Address:** Old Field Rd.  
**Present Use/Zoning:** Vacant / AC (Agricultural Conservation)  
**Tax Map Reference:** 187-00-02-018

### II. BACKGROUND

The Applicant requests annexation of a 7.12 acre parcel of land located at on Old Field Rd, approximately 1000 feet east of Stamey Livestock Rd. and just west of Ruger Dr. (and immediately south and west of the Hunters Crossing subdivision). The property is currently vacant and is split zoned: General Residential and General Commercial under the Sumter County Zoning Ordinance.

The Applicant owns two adjacent parcels which are in the City limits: the subject 7.12 acres is wholly surrounded by the City and constitutes what is referred to as a “donut hole.”

### III. FACTORS FOR CONSIDERATION

1. **Land Use Compatibility**—This request is consistent with the City 2030 Comprehensive Plan, which designates this area for suburban development.
2. **Fiscal Impacts**—All annexations increase the costs to the City in providing public services such as Public Safety, Sanitation, and Public Utilities. This is often mitigated, when commercial ventures are proposed, by an increase to the commercial tax base. Most of the subject property is zoned General Residential.
3. **Growth Management**—Resolving situations where County property is wholly surrounded by the Sumter City limits is normally considered sound public policy.
4. **Public Utilities**—Public water and sewer is available in proximity to the subject property. The applicant and/or owner are expected to bear the burden of the cost to any extension of utilities.

**IV. STAFF RECOMMENDATION**

Staff recommends annexation into the City. Annexation of any specific parcel is not an endorsement, in advance of review, of any specific development project or design elements submitted as a part of this request.
