MINIMUM PROPERTY TAX BILLING RESOLUTION

Currently, Cleveland County does not have a minimum dollar threshold for the generation of a tax bill; bills are generated regardless of amount. The cost to prepare, mail and process a tax bill under two dollars is greater than revenue returned to the county. As provided by North Carolina General Statute 105-321(f), a resolution is requested to establish a minimum original tax bill amount of \$2.00. The resolution does not apply to collection of a balance less than two dollars; only to the creation of an original bill under that amount.

REGULAR AGENDA

INSTALLMENT FINANCING FINAL RESOLUTION

Chairman Allen recognized County Manager Brian Epley to present the Installment Financing Final Resolution for the Job Ready Shell Building 3. Staff has been working on the Installment Financing for Job Ready Shell Building 3 for some time. The County has contracted with Davenport & Company LLC to distribute a Request for Proposals (RFP) to secure a commitment for a direct bank loan evidenced by an Installment Financing Agreement to finance a shell building project and associated costs. The RFP was distributed to over fifty national, regional, and local lending institutions. The construction of the proposed project is in collaboration with the City of Shelby and all costs associated with this project will be split equally with the city upon sale of the property.

Through this process, the County was able to secure two responses to the RFP, including:

1. Sterling National Bank
2. Truist Bank – Formerly Branch Banking & Trust or BB&T

During the due diligence process with the banks, there were no concerns expressed related to the County's credit or ability to borrow the funds.

Overview of rates received:

1. Sterling National Bank
 - 5 Year fixed interest at 2.9%
 - Prepayment Provision with a penalty of early pay off
2. Truist Bank
 - 5 Year fixed interest at 1.8%

- 10 Year fixed interest at 2.19%
- Flexibility to pay off at any time without penalty

Based upon review of the proposals, related analyses, discussions with the City of Shelby and Bond Counsel, the recommendation is that the County select the Truist ten-year taxable proposal. While it is the County’s desire to sell the facility and prepay the loan prior to the first principal payment, the ten year term would minimize any principal payments required should the sale take longer than one year. Additionally, the Truist ten-year taxable proposal provides the lowest annual debt service cost and the proposal provides flexibility to prepay or refinance the loan at any time in whole without penalty, which will allow the County to prepay the loan as soon as the property is sold. The annual debt service payment of approximately \$675,000 is to be split with the City of Shelby in the event property is not sold for economic development by the date first Debt Service Payment on April 1, 2021. The Local Government Commission (LGC) met today to determine the final approval for the installment financing. The LGC had several positive things to say about Cleveland County’s financial position and found no issues with approving the financing. Mr. Epley reviewed the following PowerPoint to the Board.

UPDATES TO CLEVELAND COUNTY PERSONNEL ORDINANCE

Chairman Allen called Elliot Engstrom, Deputy County Attorney, to the podium to present the updates to the Cleveland County Personnel Ordinance. The North Carolina Human Resources Act generally requires the County to get approval from the Office of State Human Resources to make certain changes to employees governed by that Act, specifically employees at the Health Department and Department of Social Services. Under North Carolina General Statute § 126-11(b), the County “*may petition the State Human Resources Commission to determine whether any portion of its total personnel system*” is substantially equivalent to the State’s human resources system. If the State grants this approval, this allows the County greater flexibility and efficiency in personnel matters, as decisions will no longer have to be sent to the State for approval on a regular basis. The basic requirements of a substantially equivalent personnel system are found in the North Carolina Administrative Code. These include a planned and organized recruiting program and logical and equitable practices that guide salary administration. All of the proposed changes to the personnel ordinance are made with these requirements in mind. Many of the changes are technical in nature and simply involve ensuring that the personnel ordinance is clear, fair, and consistent. However, some changes are more substantial. Some of the more substantial changes are as follows:

Article III § 6(b) of the revised ordinance prohibits non-exempt employees from accruing more than one hundred hours of compensatory time without approval from the Human Resources Director. The County currently has no policy in place regarding the accrual of compensatory time by non-exempt employees.

Article III § 6(c) of the revised ordinance allows exempt employees to accrue “flex time” for all overtime hours worked. Mechanically, this works exactly like the current ordinance, simply under a different name to provide a distinction between exempt and non-exempt employees.

Article IV § 4 of the revised ordinance requires that all vacant position announcements be posted both internally and externally. The Human Resources Director will have authority to waive this requirement.

Article IV § 11 reduces the new employee probationary period of employment from 24 months to 12 months. A 12-month probationary period is in line with the corresponding period for state employees under the North Carolina Human Resources Act.

If the changes to the personnel ordinance are approved, staff will submit the ordinance to the Office of State Human Resources for consideration of whether it meets the substantial equivalency test. Mr. Engstrom reviewed the following PowerPoint to the Board.

Personnel Ordinance Update

APRIL 7, 2020

Substantial Equivalency

- North Carolina Human Resources Act requires local governments to get approval from Office of State Human Resources to make certain personnel changes at the Health Department and DSS.
- We can petition the State Human Resources Commission to determine that our personnel ordinance is substantially similar to the state system.
- Getting “substantial equivalency” allows the County greater flexibility and efficiency in personnel matters.

Substantial Equivalency

- Examples of requirements to receive “substantial equivalency” designation:
 - A “planned and organized recruiting program;”
 - “Logical and equitable practices [that] guide salary administration;”
 - “Prior to receiving a permanent appointment, each employee will satisfactorily complete a reasonable, time limited probationary period.”

See Title 25 Chapter 1 § 2400 of the North Carolina Administrative Code

Substantial Equivalency

- While some proposed changes are minor and some more substantial, ALL changes are made with substantial equivalency in mind.

Notable Changes

- Article III § 6(b) of the revised ordinance prohibits non-exempt employees from accruing more than one hundred hours of compensatory time without approval from the Human Resources Director.
- The County currently has no policy in place regarding the accrual of compensatory time by non-exempt employees.

Notable Changes

- Article III § 6(c) of the revised ordinance allows exempt employees to accrue “flex time” for all overtime hours worked.
- Mechanically, this works exactly like the current ordinance, simply under a different name to provide a distinction between exempt and non-exempt employees.

Notable Changes

- Article IV § 4 of the revised ordinance requires that all vacant position announcements be posted both internally and externally.
- The Human Resources Director will have authority to waive this requirement.

Notable Changes

- Article IV § 9 of the revised ordinance requires that the Human Resources Director and relevant department head approve all hiring decisions.

Notable Changes

- Article IV § 11 reduces the new employee probationary period of employment from 24 months to 12 months.
- A 12-month probationary period is in line with the corresponding period for state employees under the North Carolina Human Resources Act. See N.C.G.S. § 126-1.1(a)(2).

CLEVELAND COUNTY BOARD OF COMMISSIONERS 10

Technical Changes

Example:

Probationary Period. The required period of time, twelve months (12), that an employee must serve before obtaining regular status when entering county service. Employees serving a probationary period following an initial appointment shall be subject to all articles with the exception of Article VIII. The required period of time an employee serves before obtaining permanent status when entering county service.

**North Carolina WIC Program
Special Funding Opportunity Guidance – Phase 1
FFY2019-2020**

APPLICATION DEADLINE: 12:00 PM on April 30, 2020

The Nutrition Services Branch is pleased to offer the first of two time-limited funding opportunities for Special Projects this federal fiscal year (FFY), which ends September 30, 2020. This first opportunity is intended to address barriers related to COVID-19 (staffing, equipment, etc.).

If funds are available, a second phase will be made available in early May. Phase 2 is for more complex needs that will require more extensive planning and multiple bids (renovations, outreach strategies, etc). Phase 2 funding will be available from June 1 – September 30, 2020.

Funding Requirements – Phase 1:

All Local Agencies are eligible to apply for funding, however SFY 2019-2020 projected lapsed funding by agency will be taken into consideration when reviewing an application. Attachment 1 details the lapsed funding by local agency for SFY 2019-2020 using expenditures entered into the Aid to County System through March 31, 2020. Agencies that we are projecting to lapse more than 3% are highlighted in yellow. Agencies projected to lapse funds may still apply but they must submit a plan for utilizing the funding they currently have in place.

Addressing food insecurity and meeting the needs of new applicants is a top priority for NC. To ensure this is being accomplished, all local agencies applying for this funding must ensure that they will have a phone line designated to WIC that is staffed during business hours for appointments. Agencies with multi-program lines will be considered if they are staffed so that callers can easily reach a live person to discuss WIC eligibility or services. Phone systems that do not provide easy access to a live person will not be considered.

Timeline for Special Funding Opportunity – Phase 1:

- Grant applications are due by Noon on April 30, 2020 (Attachment 2, Statement of Need and Action Plan(s)). Late applications will not be accepted.
- Notification of Grant Awards, or follow-up, will be provided no later than May 8, 2020.
- Local agencies will need to let us know how much of the funding will be needed in SFY 19-20 (service period ends May 31st) or the first quarter of SFY 20-21 (service period June 1st – September 30th). Services and/or equipment procured through this funding must be received or encumbered no later than September 30th, 2020 to be in compliance with federal regulations.
- Expenditures must be reported in the Aid to County System by June 15, 2020 for SFY 19-20 and November 15, 2020 for SFY 20-21.

Examples of how the funds can be used:

Applications submitted for Special Funding Opportunity – Phase 1, should focus on funding needed to support the increasing demand for services due to COVID-19 and remote work, as applicable:

- Temporary staffing to assist with direct service provision, as well as answering telephones and scheduling appointments.
- Equipment that will allow employees to work remotely, such as (but not limited to): laptops, docking stations, portable printers and scanners, VPN, Wi-Fi, cell phones, etc.
- Other – Local Agencies will be able to designate other needs related to addressing increase demand for services due to COVID-19.

GUIDELINES

All requests for Special Funding must be accompanied by at least one Statement of Need (Item A below) and a completed Application (Attachment 2). Additionally, equipment requests should follow the requirements as outlined below in Item B.

A. Statement of Need (Required of all applications)

Each item included in the Application (Attachment 2) must be addressed in a Statement of Need, including narrative detailing how the item will assist with meeting changing needs due to COVID-19, and a detail of steps to be taken after funds have been received.

B. Equipment Requests

Attachment 3 provides a list of preselected laptops and docking stations that are on State Contract and meet programmatic requirements to help expedite the approval process (eliminates requirement for two bids and evaluation process). The equipment has been screened to ensure that it has peripheral equipment needed to support telehealth (microphone, speakers, and camera – plus some have ports for headsets), should that opportunity become available.

If you are in an agency that has staff working from home, your plan may include having designated staff that are teleworking answer your main line remotely. Many phone companies offer the ability to have a phone line ring to a cell phone(s) simultaneously or call forwarding. As applicable, please reach out to your phone provider to see what options are available.

If non-state contract items are being requested, two bids should be attached to the application. Requests must meet existing guidelines for use of WIC Program Funds.

Local agencies are strongly encouraged to purchase docking stations instead of PCs so that they can use their computer remotely. This eliminates the need for staff to have both a PC and a laptop.

State Contract sites

Non-computer related equipment: <https://ncadmin.nc.gov/statewide-term-contracts>

Computer/IT equipment: <https://it.nc.gov/resources/it-strategic-sourcing/statewide-it-contracts>.

The application will suffice as an official equipment request.

There is no cap on the total amount an agency may request. Award amounts will be determined based on the availability of funds and the Statement of Need provided through the application process. The WIC Special Funding Opportunity – Phase 1 will be funded if the criteria outlined in this announcement are met, funds are available, proposed expenditures meet existing guidelines for WIC funds, and the purchase/project is approved by the Nutrition Services Branch.

Send Applications to:

Email: Sheila.Hirt@dhhs.nc.gov and cc: Lisa.Dupree@dhhs.nc.gov, or FAX: 919-870-4818

Important: If you do not receive email confirmation of receipt, please contact Sheila Hirt at 919-707-5793 by 5:00 PM on April 30, 2020.

PROJECT FUND AGREEMENT

This PROJECT FUND AGREEMENT is dated April 15, 2020 (the "Project Fund Agreement"), and is by and between the COUNTY OF CLEVELAND, NORTH CAROLINA, a body corporate and politic and a political subdivision of the State of North Carolina (the "County"), and TRUIST BANK ("Truist").

RECITALS

The Borrower is, simultaneously with the execution and delivery of this Project Fund Agreement, executing and delivering an Installment Financing Contract, dated as of the date hereof (the "Contract"), between the Borrower and Truist. The purpose of the Contract is to provide for Truist's advance of \$5,950,000 to the Borrower to pay the costs of a shell building (the "Project") and to pay related financing costs. In partial consideration for Truist's entering into the Contract, the Borrower has agreed to provide for financing proceeds to be deposited and disbursed pursuant to this Project Fund Agreement.

NOW, THEREFORE, the parties agree as follows:

SECTION 1. DEFINITIONS.

In this Project Fund Agreement, the term "Project Costs" means all costs of the design, planning, demolishing, constructing, acquiring, installing and equipping of the Project as determined in accordance with generally accepted accounting principles, including (a) sums required to reimburse the Borrower or its agents for advances made for any such costs, and (b) all closing costs or other costs related to the financing of the Project through the Contract and all related transactions.

In addition, any capitalized terms used in this Project Fund Agreement and not otherwise defined shall have the meanings assigned thereto in the Contract.

SECTION 2. PROJECT FUND.

2.1. Project Fund. On the date hereof ("the Closing Date"), Truist shall deposit \$5,944,100 (consisting of the \$5,950,000 amount advanced less a fee of \$5,900 to be paid directly by Truist to its legal counsel) into a special account of the Borrower at Truist Bank to be designated "2020-00006 County of Cleveland Project Fund" (the "Project Fund"). The Project Fund shall be held separate and apart from all other funds or accounts of the Borrower. The Project Fund is the Borrower's property, but the Borrower may withdraw amounts on deposit in the Project Fund only as provided in this Project Fund Agreement and only for application from time to time to the payment of Project Costs or otherwise as permitted by Section 2.3 hereof. Pending such application, such amounts shall be subject to a lien and charge in favor of Truist to secure the Borrower's obligations under the Contract.

2.2. Requisitions from Project Fund. The Borrower may withdraw funds from the Project Fund only after authorization from Truist. Truist shall authorize the disbursement of

funds from the Project Fund only to the Borrower and only upon its receipt of one or more written requisitions in the form set forth in Exhibit A attached hereto signed by one of the designated Borrower Representatives named in Section 3.11 hereof. The Borrower shall submit its signed requisitions in pdf format by electronic transmission at the email address contained in the requisition form.

Upon receipt of a requisition from the Borrower, Truist shall undertake such review of the matters referred to in such requisition as it shall deem appropriate, and within seven (7) business days after such receipt shall notify the Borrower if it does not approve the requisition with the reasons for its disapproval. Truist has no obligation to make a review and any review by Truist is only for Truist's benefit. Truist shall not unreasonably withhold payment of any requisition.

2.3. Disposition of Project Fund Balance.

(a) ***Upon completion*** - Promptly after the Project has been completed to the point that the Project is suitable for carrying out substantially all the purposes it is to serve for the Borrower, and the Borrower has withdrawn from the Project Fund all of the funds needed to complete the Project, the Borrower shall deliver to Truist a written certificate of completion executed by a Borrower Representative stating that (i) the Project has been completed, (ii) there are no mechanic's or other liens against the Project for labor or materials furnished in connection with the Project, and (iii) no further funds will be requisitioned from the Project Fund to pay Project Costs. Truist may then withdraw any balance remaining in the Project Fund (and not required to be retained to pay Project Costs incurred but not yet paid) and apply such amount as provided in subsection (d) of this Section.

(b) ***Upon default*** - Upon the occurrence of an Event of Default, Truist may withdraw any balance remaining in the Project Fund and apply such amount as provided in subsection (d) of this Section.

(c) ***After delay or inactivity*** - If (i) more than three years have elapsed from the Closing Date or (ii) at least six months have elapsed from Truist's most recent receipt of a requisition for Project Costs, then Truist, upon 30 days' notice from Truist to the Borrower, may withdraw any balance remaining in the Project Fund and apply such amount as provided in subsection (d) of this Section.

(d) ***Application of Project Fund balance*** - Truist may apply any amounts withdrawn from the Project Fund pursuant to this Section in the following order: (i) to the payment of any Additional Payments then due to Truist under the Contract, (ii) to the payment of any interest accrued to the Project Fund disposition date that is then due and payable, (iii) to the payment of any principal amount then due and payable, (iv) to the prepayment of principal and accrued interest in accordance with the prepayment provisions of the Contract; and (v) to the payment of future Installment Payments in inverse order of maturity; provided, however, that (1) at the option of Truist, Truist may deliver funds held under this Project Fund Agreement to the Borrower to be applied to additional Project Costs or future debt service payments, and (2) in no event will Truist apply any funds in the manner set forth herein if it is advised in an opinion of bond counsel provided by the Borrower that such a use of funds could adversely affect the

exclusion from gross income for federal income tax purposes of the interest component of Installment Payments. Any prepayment hereunder shall not affect any other Borrower payment obligation under the Contract. Truist shall notify the Borrower of any withdrawal from the Project Fund made under this Section, and in the notice shall describe its application of the funds so withdrawn.

2.4. Investment.

(a) The Borrower and Truist agree that money in the Project Fund will be continuously invested and reinvested in a public funds money rate savings account, as directed by Truist, that meets the requirements of Section 159-30 of the General Statutes of North Carolina, as amended.

(b) [reserved]

(c) Investment obligations acquired with money in the Project Fund shall be deemed at all times to be part of the Project Fund. The interest accruing thereon and any profit or loss realized upon the disposition or maturity of any such investment shall be credited to or charged against the Project Fund.

(d) All earnings on moneys in the Project Fund shall be used for Project Costs or otherwise applied in accordance with Section 2.3 hereof.

SECTION 3. MISCELLANEOUS.

3.1. Notices. Except as set forth in Section 2.2 hereof with respect to the delivery of requisitions to Truist, any notice or other communication required or contemplated by this Project Fund Agreement shall be deemed to be delivered so long as it is delivered by hand or on the date shown on a certified mail receipt, or a delivery receipt (or similar evidence) from a national commercial package delivery service, if addressed as follows:

Any party may designate a different or alternate address for notices by notice given under this Project Fund Agreement.

3.2. Survival of Covenants and Representations. All covenants, representations and warranties made by the Borrower in this Project Fund Agreement and in any certificates delivered pursuant to this Project Fund Agreement shall survive the delivery of this Project Fund Agreement.

3.3. Choice of Law. The parties intend that North Carolina law shall govern this Project Fund Agreement.

3.4. Amendments. This Project Fund Agreement may not be modified or amended unless such amendment is in writing and signed by Truist and the Borrower.

3.5. No Third-Party Beneficiaries. There are no parties intended to be or which shall be deemed to be third-party beneficiaries of this Project Fund Agreement.

3.6. Successors and Assigns. All of the covenants and conditions of this Project Fund Agreement shall be binding upon and inure to the benefit of the parties to this Project Fund Agreement and their respective successors and assigns.

3.7. Severability. If any court of competent jurisdiction shall hold any provision of this Project Fund Agreement invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision of this Project Fund Agreement.

3.8. Counterparts. This Project Fund Agreement may be executed in any number of counterparts, including separate counterparts, each executed counterpart constituting an original but all together only one agreement.

3.9. Termination. Except as otherwise provided in this Project Fund Agreement, this Project Fund Agreement shall cease and terminate upon payment of all funds (including investment proceeds) from the Project Fund.

3.10. E-Verify. Truist understands that “E-Verify” is a federal program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program used to verify the work authorization of newly hired employees pursuant to federal law in accordance with Section 64-25(5) of the General Statutes of North Carolina, as amended. Truist uses E-Verify to verify the work authorization of its employees in accordance with Section 64-26(a) of the General Statutes of North Carolina, as amended. Truist will require that any subcontractor that it uses in connection with the transactions contemplated by this Project Fund Agreement certify to such subcontractor’s compliance with E-Verify.

Wire Transfer Agreement

This Wire Transfer Agreement is dated April 15, 2020 (this "Agreement") and is by and between the COUNTY OF CLEVELAND, NORTH CAROLINA, a body corporate and politic and a political subdivision of the State of North Carolina (the "County"), and TRUIST BANK ("Truist").

RECITALS

The Borrower is, simultaneously with the execution and delivery of this Agreement, executing and delivering (a) An Installment Financing Contract, dated as of the date hereof (the "Contract"), between the Borrower and Truist, and (b) a Project Fund Agreement, dated the date hereof (the "Project Fund Agreement"), between the Borrower and Truist. The purpose of the Contract is to provide for Truist's advance of \$5,950,000 to the Borrower to enable the Borrower to finance a shell building and to pay related financing costs. In partial consideration for Truist's entering into the Contract, the Borrower has agreed to provide for financing proceeds to be deposited and disbursed pursuant to the Project Fund Agreement.

In order to prevent unauthorized or fraudulent wire transfers through cyber fraud and other means, Truist and the Borrower hereby agree to the following:

Section 1. Wire Transfer Requirements. In the event a wire transfer is made by Truist to disburse funds as contemplated by the Contract or the Project Fund Agreement (a "Disbursement"), said wire transfer shall be delivered as directed in a written "Disbursement Authorization" provided to Truist by a representative of the Borrower, subject to the terms and conditions set forth herein. For the purposes of this Agreement, a representative of the Borrower shall include employees and elected and/or appointed officials of the Borrower, bond counsel, the Borrower's legal counsel, the LGC or the Borrower's financial advisor.

Section 2. Verification Procedures. Prior to making any Disbursement pursuant to a Disbursement Authorization not delivered to Truist in person by a representative of the Borrower, Truist shall verify such Disbursement Authorization verbally via telephone communication with a representative of the Borrower. The Borrower shall ensure that a representative of the Borrower will provide such verification to Truist. The Borrower shall not disclose, or allow to be disclosed, such Truist verification procedures to any third party unless there is a legitimate business need to make such disclosure or such disclosure is required by law, and the Borrower accepts the risk of such third party knowledge of the security procedures. If the Borrower has reason to believe that a security procedure has been obtained by or disclosed to an unauthorized person or learns of any unauthorized transfer or of any discrepancy in a transfer request, then the Borrower shall notify Truist immediately.

Section 3. Payee Identification. The Borrower is solely responsible for accurately identifying the wire transfer information contained in the Disbursement Authorization delivered to Truist by a representative of the Borrower, including but not limited to the bank name and its ABA number, beneficiary's account name and account number and beneficiary's physical address, together with other information requested by Truist (collectively, "Remittance Instructions"). If the Remittance Instructions describe a beneficiary inconsistently by name and

account number, the Borrower acknowledges that Truist may make payment on the basis of the account number alone, that Truist is not obligated to detect such errors, and that the Borrower assumes the risk of any loss resulting therefrom.

Section 4. Duty to Reconcile Written Confirmation. Upon request from a representative of the Borrower, Truist shall use its best efforts to send a representative of the Borrower written confirmation of the Disbursement in the form of a reference number, beneficiary name and wire amount. A representative of the Borrower shall promptly review and reconcile the written confirmation of the Disbursement sent by Truist, and shall report to Truist in writing, promptly, but in no event later than ten (10) business days after the date of such written confirmation, any unauthorized, erroneous, unreceived or improperly executed payment. Truist and the Borrower agree that ten (10) business days is a reasonable time for the detection and reporting to Truist of such information. After that time, all items on the written confirmation will be considered correct and the Borrower will be precluded from recovering from Truist if such wire transfer identified in the written confirmation was actually made by Truist. For the avoidance of doubt, any such writings can be provided electronically.

Section 5. Unauthorized Payments. Notwithstanding any other provision herein, if a Disbursement has been verified by a representative of the Borrower pursuant to Section 2, it shall be binding on the Borrower if Truist acted in good faith in making such Disbursement.

Section 6. Recordation. Truist may record any telephone conversation between Truist and a representative of the Borrower in order to reduce the risk of unauthorized or erroneous transfers. Truist may retain such recordings for as long as Truist may deem necessary.

Section 7. Indemnification and Hold Harmless. If Truist complies with the provisions of this Agreement, the Borrower agrees that Truist shall not be responsible for any communication or miscommunication by a representative of the Borrower, and the Borrower further agrees to indemnify, to the extent allowed by law, Truist and hold Truist harmless from and against any and all losses, claims, expenses, suits, costs or damages, demands or liabilities of whatever kind or nature, whether now existing or hereafter relating in any way to a wire transfer made pursuant to the Contract or the Project Fund Agreement.

Section 8. Applicable Law. All wire transfer orders are governed by Article 4A of the Uniform Commercial Code, except as any provisions thereof that may be and are modified by the terms hereof. If any part of the applicable wire transfer order involves the use of the Fedwire, the rights and obligations of Truist and the Borrower regarding that wire transfer order are governed by Regulation J of the Federal Reserve Board.

Section 9. Choice of Law. The parties intend that North Carolina law shall govern this Agreement.

Section 10. Amendments. This Agreement may not be modified or amended unless such amendment is in writing and signed by Truist and the Borrower.

Section 11. No Third-Party Beneficiaries. There are no parties intended to be or which shall be deemed to be third-party beneficiaries of this Agreement.

Section 12. Successors and Assigns. All of the covenants and conditions of this Agreement shall be binding upon and inure to the benefit of the parties to this Agreement and their respective successors and assigns.

Section 13. Severability. If any court of competent jurisdiction shall hold any provision of this Agreement invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

Section 14. Counterparts. This Agreement may be executed in any number of counterparts, including separate counterparts, each executed counterpart constituting an original but all together only one agreement.

Section 15. Termination. This Agreement shall cease and terminate upon termination of the Contract and the Project Fund Agreement.

Section 16. E-Verify. Truist understands that “E-Verify” is a federal program operated by the United States Department of Homeland Security and other federal agencies, or any successor or equivalent program used to verify the work authorization of newly hired employees pursuant to federal law in accordance with Section 64-25(5) of the General Statutes of North Carolina, as amended. Truist uses E-Verify to verify the work authorization of its employees in accordance with Section 64-26(a) of the General Statutes of North Carolina, as amended. Truist will require that any subcontractor that it uses in connection with the transactions contemplated by this Agreement certify to such subcontractor’s compliance with E-Verify.

IN WITNESS WHEREOF, each of the parties has caused this Wire Transfer Agreement to be signed and delivered by a duly authorized officer, all as of the date first above written.

Nothing contained herein shall require the payment or discharge of any such tax, lien, assessment or charge by the Grantor for so long as the Grantor shall in good faith and at its own expense contest the same or the validity thereof by appropriate legal proceedings provided that such proceedings shall prevent (i) the collection thereof or other realization thereof and the sale or forfeiture of the Premises or any part thereof to satisfy the same or (ii) the enforcement thereof, against the Grantor, the Trustee, the Beneficiary and the Premises and so long as the Grantor first deposits with the Beneficiary in escrow such sums or other security as the Beneficiary may reasonably require to assure Beneficiary of the availability of sufficient monies to pay such tax, lien, assessment or charge if and when the same is finally determined to be due.

Upon any failure by the Grantor so to do, the Beneficiary may make, execute, record, file, re-record and/or refile any and all such deeds of trust, security agreements, financing statements, continuation statements, instruments, certificates, and documents for and in the name of the Grantor and the Grantor hereby irrevocably appoints the Beneficiary as its agent and attorney-in-fact to do so.

Section 1.9 Expenses. The Grantor will pay or reimburse the Beneficiary and the Trustee, upon demand therefor, for all reasonable attorneys' fees, costs and expenses actually incurred by the Beneficiary and the Trustee in any suit, action, legal proceeding or dispute of any kind in which the Beneficiary and/or the Trustee is made a party or appears as party plaintiff or defendant, affecting the Indebtedness secured hereby, this Deed of Trust or the interest created herein, or the Premises, including, but not limited to, the exercise of the power of sale contained in this Deed of Trust, any condemnation action involving the Premises or any action to protect the security hereof, but excepting therefrom any negligence or willful misconduct by the Beneficiary or any breach of this Deed of Trust by the Beneficiary; and all such amounts paid by the Beneficiary shall be added to the Indebtedness.

Section 1.14 Changes in Ownership. The Grantor hereby acknowledges to the Beneficiary that (a) the identity and expertise of the Grantor were and continue to be material circumstances upon which the Beneficiary has relied in connection with, and which constitute valuable consideration to the Beneficiary for, the extending to the Grantor of the Indebtedness and (b) any change in such identity or expertise could materially impair or jeopardize the security for the payment of the Indebtedness granted to the Beneficiary by this Deed of Trust. The Grantor therefore covenants and agrees with the Beneficiary, as part of the consideration for the extending to the Grantor of the Indebtedness, that the entire Indebtedness shall, at the option of the Beneficiary, become immediately due and payable, should the Grantor further encumber, pledge, convey, transfer or assign any or all of its interest in the Premises or any portion thereof without the prior written consent of the Beneficiary or except as otherwise permitted herein or in the Installment Financing Contract.

Section 1.15 Use and Management of the Premises. The Grantor shall not alter or change the use of the Premises or abandon the Premises without the prior written consent of the Beneficiary or except as otherwise permitted herein or in the Installment Financing Contract.

acquisition, construction and installation of the Project (as defined in the installment financing Contract) and any additional Improvements on the Real Property; (v) the Grantor shall not cause or permit the installation of Hazardous Materials in, on, over or under the Premises or a Release (as hereinafter defined) of Hazardous Materials unto or from the Premises or suffer the presence of Hazardous Materials in, on, over or under the Premises in violation of applicable Environmental Laws; (vi) the Grantor shall comply or cause there to be compliance with Environmental Laws applicable to the Premises, all at no cost or expense to the Beneficiary or the Trustee; (vii) the Grantor has obtained and the Grantor will at all times continue to obtain and/or maintain all licenses, permits and/or other governmental or regulatory actions necessary for the Premises to comply with applicable Environmental Laws (the "Permits") and the Grantor will be and at all times remain in full compliance with the terms and provisions of the Permits; (viii) to the best of the Grantor's actual knowledge, there has been no Release of any Hazardous Materials on or from the Premises in violation of applicable Environmental Laws, whether or not such Release emanated from the Premises or any contiguous real estate, which has not been abated and any resulting violation of applicable Environmental Laws abated; (ix) the Grantor shall immediately give the Beneficiary oral and written notice in the event that the Grantor receives any notice from any governmental agency, entity, or any other party with regard to Hazardous Materials on, from or affecting the Premises and the Grantor shall conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up and remove all Hazardous Materials on, from or affecting the Premises in accordance with all applicable Environmental Laws.

(b) To the extent permitted by law and subject to the provisions of Section 160A-20 of the General Statutes of North Carolina, as amended ("G.S. § 160A-20"), the Grantor hereby agrees to indemnify the Beneficiary and the Trustee and hold the Beneficiary and the Trustee harmless from and against any and all liens, demands, defenses, suits, proceedings, disbursements, liabilities, losses, litigation, damages, judgments, obligations, penalties, injuries, costs, expenses (including, without limitation, reasonable attorneys' and experts' fees) and claims of any and every kind whatsoever paid, incurred, suffered by, or asserted against the Beneficiary, the Trustee and/or the Premises for, with respect to, or as a direct or indirect result of: (i) the presence of Hazardous Materials in, on or under the Premises, or the escape, seepage, leakage, spillage, discharge, emission or Release on or from the Premises of any Hazardous Materials regardless of whether or not caused by or within the control of the Grantor; (ii) the violation of any Environmental Laws applicable to the Premises or the Grantor, whether or not caused by or within the control of the Grantor; (iii) the failure by the Grantor to comply fully with the terms and provisions of this Section; (iv) the violation of any of the Environmental Laws in connection with any other property owned by the Grantor, which violation gives or may give rise to any rights whatsoever in any party with respect to the Premises by virtue of any of the Environmental Laws, whether or not such violation is caused by or within the control of the Grantor; or (v) any warranty or representation made by the Grantor in subsection (a) of this Section being false or untrue in any material respect.

(c) In the event the Beneficiary has a reasonable basis to suspect that the Grantor has violated any of the covenants, warranties, or representations contained in this Section, or that the Premises are not in compliance with the applicable Environmental Laws for any reason, the Grantor shall take such steps as the Beneficiary reasonably requires by notice to the Grantor in

the Beneficiary may take such action as the Beneficiary reasonably believes necessary to protect its interest, and the cost and expenses of all such actions taken by the Beneficiary, including, without limitation, the Beneficiary's reasonable attorneys' fees, shall be added to the Indebtedness.

(d) For purposes of this Deed of Trust: (i) "Hazardous Material" or "Hazardous Materials" means and includes, without limitation, (a) solid or hazardous waste, as defined in the Resource Conservation and Recovery Act of 1980, or in any applicable state or local law or regulation, (b) hazardous substances, as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), or in any applicable state or local law or regulation, (c) gasoline, or any other petroleum product or by-product, (d) toxic substances, as defined in the Toxic Substances Control Act of 1976, or in any applicable state or local law or regulation or (e) insecticides, fungicides, or rodenticides, as defined in the Federal Insecticide, Fungicide, and Rodenticide Act of 1975, or in any applicable state or local law or regulation, as each such Act, statute or regulation may be amended from time to time; (ii) "Release" shall have the meaning given such term in the Environmental Laws, including, without limitation, Section 101(22) of CERCLA; and (iii) "Environmental Law" or "Environmental Laws" shall mean any "Super Fund" or "Super Lien" law, or any other federal, state or local statute, law, ordinance or code, regulating, relating to or imposing liability or standards of conduct concerning public health and safety, worker health and safety, pollution, the environment, wetlands, the preservation and reclamation of natural resources or waste management, without limitation all those related to the presence, use, production, generation, handling, transportation, treatment, storage, disposal, distribution, labeling, testing, processing, discharge, release, threatened release, control or cleanup of any Hazardous Materials as may now or at any time hereafter be legally in effect, including, without limitation, the following, as same may be amended or replaced from time to time, and all regulations promulgated and officially adopted thereunder or in connection therewith: the Super Fund Amendments and Reauthorization Act of 1986 ("SARA"); CERCLA; The Clean Air Act ("CAA"); the Clean Water Act ("CWA"); The Toxic Substance Control Act ("TSCA"); the Solid Waste Disposal Act ("SWDA"), as amended by the Resource Conservation and Recovery Act ("RCRA"); the Hazardous Waste Management System; and the Occupational Safety and Health Act of 1970 ("OSHA"). The obligations and liabilities of the Grantor under this Section which arise out of events or actions occurring prior to the satisfaction of this Deed of Trust shall survive the exercise of the power of sale under or foreclosure of this Deed of Trust, the delivery of a deed in lieu of foreclosure of this Deed of Trust, the cancellation or release of record of this Deed of Trust, and/or the payment in full of the Indebtedness.

(e) The parties expressly agree that an event under the provisions of this Section which may be deemed to be a default under this Deed of Trust and/or the Installment Financing Contract shall not be a default until the Grantor has received notice of such event. Further, in terms of compliance with future governmental laws, regulations or rulings applicable to environmental conditions, the Grantor shall be permitted to afford itself of any defense or other protection against the application or enforcement of any such law, regulation or ruling.

Default", wherever used in this Deed of Trust, shall mean any one or more of the following events:

- (a) Failure by the Grantor to pay when due, any Installment Payment as required by the Installment Financing Contract or by this Deed of Trust.
- (b) Failure by the Grantor to duly observe or perform after notice and lapse of any applicable grace period any other term, covenant, condition or agreement of this Deed of Trust.
- (c) Any warranty of the Grantor contained in this Deed of Trust proves to be untrue or misleading in any material respect.
- (d) The occurrence of any "Event of Default" under the Installment Financing Contract.

Section 2.2 Acceleration upon Default, Additional Remedies. In the event an Event of Default shall have occurred and is continuing, the Beneficiary may declare all Indebtedness to be due and payable and the same shall thereupon become due and payable without any presentment, demand, protest or notice of any kind. Thereafter, the Beneficiary may take any one or more of the following actions:

- (a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court as hereinafter provided and without regard to the adequacy of its security, enter upon and take possession of the Premises, or any part thereof, in its own name or in the name of the Trustee, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Premises, or part thereof or interest therein, increase the income therefrom or protect the security hereof, and, with or without taking possession of the Premises, sue for or otherwise collect the rents and issues thereof, including those rents and issues past due and unpaid, and apply the same, less costs and expenses of operation and collection including attorney's fees, upon any Indebtedness, all in such order as the Beneficiary may determine. The entering upon and taking possession of the Premises, the collection of such rents and issues and the application thereof as aforesaid, shall not cure or waive any Event of Default or notice of Event of Default hereunder or invalidate any act done in response to such Default or pursuant to such notice of Default and notwithstanding the continuance in possession of the Premises or the collection, receipt and application of rents and issues, the Trustee or the Beneficiary shall be entitled to exercise every right provided for in any instrument securing or relating to the Indebtedness or by law upon occurrence of any Event of Default, including the right to exercise the power of sale.
- (b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver as hereinafter provided, specially enforce any of the covenants hereof, or cause the Trustee to foreclose this Deed of Trust by power of sale.
- (c) Exercise any or all of the remedies available to a secured party under any applicable laws.

secured by this Deed of Trust in violation of U.S. § 100A-20, including, without limitation, any deficiency judgment for amounts that may be owed under the Installment Financing Contract or this Deed of Trust when the sale of all or any portion of the Premises is insufficient to produce enough money to pay in full all remaining Indebtedness under the Installment Financing Contract or this Deed of Trust, and the taxing power of the Grantor is not and may not be pledged directly or indirectly or contingently to secure any moneys due or secured under this Deed of Trust.

Section 2.3 Foreclosure by Power of Sale. Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall notify the Trustee and shall deposit with the Trustee this Deed of Trust and such receipts and evidence of expenditures made and secured hereby as the Trustee may require.

Upon application of the Beneficiary, it shall be lawful for and the duty of the Trustee, and the Trustee is hereby authorized and empowered, to expose to sale and to sell the Premises at public auction for cash, after having first complied with all applicable requirements of laws of the State of North Carolina with respect to the exercise of powers of sale contained in deeds of trust, and upon such sale the Trustee shall convey title to the purchaser in fee simple. After retaining from the proceeds of such sale just compensation for the Trustee's services and all expenses incurred by the Trustee, including the Trustee's commission not exceeding one percent (1%) of the bid and reasonable attorneys' fees for legal services actually performed, the Trustee shall apply the residue of the proceeds first to the payment of all sums expended by the Beneficiary under the terms of this Deed of Trust; second, to the payment of the Indebtedness secured hereby; and the balance, if any, shall be paid to the Grantor. The Grantor agrees that in the event of sale hereunder, the Beneficiary shall have the right to bid thereat. The Trustee may require the successful bidder at any sale to deposit immediately with the Trustee cash or certified check in an amount not to exceed twenty-five percent (25%) of the bid, provided notice of such requirement is contained in the advertisement of the sale. The bid may be rejected if the deposit is not immediately made and thereupon the next highest bidder may be declared to be the purchaser. Such deposit shall be refunded in case a resale is had; otherwise, it shall be applied to the purchase price.

Section 2.4 Performance by the Beneficiary on Defaults by the Grantor. If the Grantor shall default in the payment, performance or observance of any term, covenant or condition of this Deed of Trust, the Beneficiary may, at its option, pay, perform or observe the same, and all payments made or costs or expenses incurred by the Beneficiary in connection therewith shall be secured hereby and shall be, without demand, immediately repaid by the Grantor to the Beneficiary with interest thereon at the Default Rate provided in the Installment Financing Contract. The Beneficiary shall be the sole judge of the necessity for any such actions and of the amounts to be paid but no such action shall be taken unreasonably. The Beneficiary is hereby empowered to enter and to authorize others to enter upon the Premises or any part thereof for the purpose of performing or observing any such defaulted term, covenant or condition without thereby becoming liable to the Grantor or any person in possession holding under the Grantor.

Section 2.5 Receiver. If an Event of Default shall have occurred and is continuing and such Event of Default as to Events of Default occurring under subsections (b), (c) and (d) of Section 2.1 continues uncured for a period of thirty (30) days or more after notice of such Event

regard to the adequacy or value of any security for the indebtedness secured hereby or the solvency of any party bound for its payment, to the appointment of a receiver or receivers to take possession of and to operate the Premises and to collect and apply the rents and issues thereof. The Grantor hereby irrevocably consents to such appointment, provided the Grantor receives notice of any application therefor. Any such receiver or receivers shall have all of the rights and powers permitted under the laws of the State of North Carolina and all the powers and duties of the Beneficiary in case of entry as provided in subsection (a) of Section 2.2, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Premises unless such receivership is sooner terminated. Subject to the provisions of Section 2.2, the Grantor will pay to the Beneficiary upon demand all reasonable expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the provisions of this Section; and all such expenses shall be secured by this Deed of Trust.

Section 2.6 Waiver of Appraisalment, Valuation, Stay, Extension and Redemption Laws. The Grantor agrees, to the full extent permitted by law, that in case of a Default hereunder, neither the Grantor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisalment, valuation, stay, extension, homestead, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, or the absolute sale of the Premises, or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereat, and the Grantor, for itself and all who may at any time claim through or under it, hereby waives to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprised in the security intended to be created hereby marshalled upon any foreclosure of the lien hereof.

Section 2.7 Leases. The Beneficiary and the Trustee, or either of them, at their option and to the extent permitted by law, are authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Premises, and the failure to make any such tenants parties to any such foreclosure proceedings and to foreclose their rights will not be, nor be asserted to be by the Grantor, a defense to any proceedings instituted by the Beneficiary and the Trustee to collect the sums secured hereby.

Section 2.8 Discontinuance of Proceedings and Restoration of the Parties. In case the Beneficiary and the Trustee, or either of them, shall have proceeded to enforce any right, power or remedy under this Deed of Trust by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Beneficiary and the Trustee, or either of them, then and in every such case the Grantor and the Beneficiary and the Trustee, and each of them, shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of the Beneficiary and the Trustee, and each of them, shall continue as if no such proceeding had been taken.

Section 2.9 Remedies Not Exclusive. Subject to Article XV of the Installment Financing Contract and Section 2.2 of this Deed of Trust, the Trustee and the Beneficiary, and each of them, shall be entitled to enforce payment and performance of any Indebtedness or obligations secured hereby and to exercise all rights and powers under this Deed of Trust or any

now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect the Trustee's or the Beneficiary's right to realize upon or enforce any other security now or hereafter held by the Trustee or the Beneficiary, it being agreed that the Trustee and the Beneficiary, and each of them, shall be entitled to enforce this Deed of Trust and any other security now or hereafter held by the Beneficiary or the Trustee in such order and manner as they or either of them may in their absolute discretion determine. Every lawful power or remedy given by any instrument securing or relating to the Indebtedness secured hereby to the Trustee or the Beneficiary or to which either of them may be otherwise entitled, may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by the Trustee or the Beneficiary and either of them may pursue inconsistent remedies.

Section 2.10 **Waiver.** No delay or omission of the Beneficiary or the Trustee to exercise any right, power or remedy accruing upon any Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Default, or acquiescence therein; and every right, power and remedy given by this Deed of Trust to the Beneficiary and the Trustee, and each of them, may be exercised from time to time and as often as may be deemed expedient by the Beneficiary and the Trustee, and each of them. No consent or waiver, expressed or implied, by the Beneficiary to or of any breach or Default by the Grantor in the performance of the obligations thereof hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Default in the performance of the same or any other obligations of the Grantor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its rights hereunder or impair any rights, powers or remedies consequent on any breach or Default by the Grantor.

Section 2.11 **Suits to Protect the Premises.** The Beneficiary and the Trustee, and each of them, shall have the power (a) to institute and maintain such suits and proceedings as they may deem expedient to prevent any impairment of the Premises by any acts which may be unlawful or in violation of this Deed of Trust, with notice of commencement of such suits and proceedings to be given to the Grantor, (b) to preserve or protect their interest in the Premises and in the rents and issues arising therefrom, and (c) to restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interest of the Beneficiary.

Section 2.12 **The Beneficiary May File Proofs of Claim.** In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Grantor, its creditors or its property, the Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be

creates liability for the county and the Local Health Department and may lead to a loss of confidence from the public and operators. To provide for consistency and quality within the Food and Lodging Program, and as part of this Agreement Addendum, the Local Health Department shall maintain an internal Quality Assurance Plan.

A summary of the previous year's approved Quality Assurance Plan activities must be submitted to the Environmental Health Regional Specialist for review by May 1, 2020.

IV. Performance Measures/Reporting Requirements:

The Local Health Department shall ensure funds are used for Food and Lodging sanitation programs and activities in accordance with G.S. 130A-248(d).

V. Performance Monitoring and Quality Assurance:

The Division of Public Health will review annual required inspection data submitted electronically to the Environmental Health Inspections Data System to assure required food, lodging, and institution inspections are completed at the frequency required. Failure to complete required inspections or if deficiencies persist, will cause the Local Health Department to lose funding.

During program monitoring activities, Environmental Health Regional Specialists may review documentation to verify that the approved Quality Assurance Plan is being implemented.

If the Local Health Department Food and Lodging program is not in compliance with an approved Quality Assurance Plan, a corrective action plan must be submitted no later than May 15, 2020, to the Environmental Health Regional Specialist indicating how deficiencies will be addressed.

VI. Funding Guidelines or Restrictions:

1. Requirements for pass-through entities: In compliance with 2 CFR §200.331 – *Requirements for pass-through entities*, the Division of Public Health provides Federal Award Reporting Supplements to the Local Health Department receiving federally funded Agreement Addenda.
 - a. Definition: A Supplement discloses the required elements of a single federal award. Supplements address elements of federal funding sources only; state funding elements will not be included in the Supplement. Agreement Addenda (AAs) funded by more than one federal award will receive a disclosure Supplement for each federal award.
 - b. Frequency: Supplements will be generated as the Division of Public Health receives information for federal grants. Supplements will be issued to the Local Health Department throughout the state fiscal year. For federally funded AAs, Supplements will accompany the original AA. If AAs are revised and if the revision affects federal funds, the AA Revisions will include Supplements. Supplements can also be sent to the Local Health Department even if no change is needed to the AA. In those instances, the Supplements will be sent to provide newly received federal grant information for funds already allocated in the existing AA.
2. The Local Health Department is required to submit a signed and completed Food and Lodging Local Health Department Request for Payment form (DPH EH 2948) to request funds. Reimbursement will not be made until this Agreement Addendum and the DPH EH 2948 form is fully executed. Requests for Payment forms will be processed during the period May 1, 2020 through June 5, 2020. Requests received after June 5, 2020 will not be processed.

The	Governing Board BOARD OF COMMISSIONERS
of	Primary Government Unit (or charter holder) CLEVELAND COUNTY
and	Discretely Presented Component Unit (DPCU) (if applicable) N/A

Primary Government Unit, together with DPCU (if applicable), hereinafter referred to as Governmental Unit(s)

and	Auditor Name THOMPSON, PRICE, SCOTT, ADAMS & CO, P.A.
	Auditor Address 1626 S MADISON STREET, WHITEVILLE, NC 28472

Hereinafter referred to as Auditor

for	Fiscal Year Ending 06/30/20	Audit Report Due Date 10/31/20
-----	--------------------------------	-----------------------------------

Must be within four months of FYE

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business- type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types).

2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with GAAS. The Auditor shall perform the audit in accordance with *Government Auditing Standards* if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by OMB *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act, the Auditor shall perform a Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit performed under the requirements found in Subpart F of the Uniform Guidance (§200.501), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.
4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.
5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Accounting Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC staff within four months of fiscal year end. If it becomes necessary to amend this due date or the audit fee, an amended contract along with a written explanation of the delay shall be submitted to the Secretary of the LGC for approval.
7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.
8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's (Units') records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.
9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. (This also includes any progress billings.) [G.S. 159-34 and 115C-447] All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved' with approval date shall be returned to

the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.

10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).

11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.

13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC along with an Audit Report Reissued Form (available on the Department of State Treasurer website). These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC staff.

15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the

Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing, on the Amended LGC-205 contract form and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to charter schools or hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 28 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

18. Special provisions should be limited. Please list any special provisions in an attachment.

19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the parent government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to charter schools or hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.

22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.

26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

27. For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and Governmental Auditing Standards, 2018 Revision (as applicable). Financial statement preparation assistance shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

28. Applicable to charter school contracts only: No indebtedness of any kind incurred or created by the charter school shall constitute an indebtedness of the State or its political subdivisions, and no indebtedness of the charter school shall involve or be secured by the faith, credit, or taxing power of the State or its political subdivisions.

29. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 16 for clarification).

30. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at <https://www.nctreasurer.com/slg/Pages/Audit-Forms-and-Resources.aspx>.

31. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.

32. Modifications to the language and terms contained in this contract form (LGC-205) are not allowed.

FEEES FOR AUDIT SERVICES

1. For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct (as applicable) and *Governmental Auditing Standards, 2018 Revision*. Refer to Item 27 of this contract for specific requirements. The following information must be provided by the Auditor; contracts presented to the LGC without this information will be not be approved.

Financial statements were prepared by: Auditor Governmental Unit Third Party

If applicable: Individual at Governmental Unit designated to have the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the non-attest services and accept responsibility for the results of these services:

Name:	Title and Unit / Company:	Email Address:
ROBERT L. JACKSON	FINANCE OFFICER - CLEVELAND COUNTY	lucas.jackson@clevelandcountync.gov

2. Fees may not be included in this contract for work performed on Annual Financial Information Reports (AFIRs), Form 990s, or other services not associated with audit fees and costs. Such fees may be included in the engagement letter but may not be included in this contract or in any invoices requiring approval of the LGC. See Items 8 and 13 for details on other allowable and excluded fees.

3. Prior to submission of the completed audited financial report, applicable compliance reports and amended contract (if required) the Auditor may submit invoices for approval for services rendered, not to exceed 75% of the total of the stated fees below. If the current contracted fee is not fixed in total, invoices for services rendered may be approved for up to 75% of the prior year billings. Should the 75% cap provided below conflict with the cap calculated by LGC staff based on the prior year billings on file with the LGC, the LGC calculation prevails. All invoices for services rendered in an audit engagement as defined in 20 NCAC 3 .0503 shall be submitted to the Commission for approval before any payment is made. Payment before approval is a violation of law. (This paragraph not applicable to contracts and invoices associated with audits of hospitals).

Cleveland County

Shelby, NC 28152

To Management and Those Charged With Governance:

We are pleased to confirm our understanding of the services we are to provide the Cleveland County for the year ended June 30, 2020. We will audit the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of the Cleveland County as of and for the year ended June 30, 2020. Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the Cleveland County's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Cleveland County's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's discussion and analysis.
2. Law Enforcement Officers' Special Separation Allowance Schedule of Total Pension Liability (Asset) and Schedule of Total Pension Liability (Asset) as a Percentage of Covered-Employee Payroll
3. Schedule of Changes in the Total OPEB Liability and Related Ratios
4. Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of County Contributions – LGERS
5. Schedule of the Proportionate Share of the Net Pension Liability (Asset) and Schedule of County Contributions - ROD

We have also been engaged to report on supplementary information other than RSI that accompanies the Cleveland County's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

1. Schedule of Expenditures of Federal and State Awards.
2. Combining and Individual Fund Financial Statements, Budgetary Schedules, and Other Schedules

Our responsibility for other information included in documents containing the entity's audited financial statements and auditors' report does not extend beyond the financial information identified in the report. We have no responsibility for determining whether such other information contained in these documents is properly stated.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on-

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Commissioners and management of Cleveland County. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Audit Procedures-General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk exists that some noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories (if material), and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures-Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Test of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures-Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Cleveland County's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Cleveland County's major programs. For federal programs that are included in the 2019 Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the 2019 Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be

to express an opinion on Cleveland County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal and State awards, and related notes of Cleveland County in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. We will assist in the preparation of year-end adjusting entries as needed. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal and State awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal and State awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal and State awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review by May 1, 2020.

You are responsible for identifying all federal and State awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal and State awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal and State awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal and State awards. You also agree to make the audited financial statements readily available to intended users of schedules of expenditures of federal and State awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal and State awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal and State awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal and State awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to using the auditors' report, you understand that you must obtain our prior written consent to reproduce or use our report in bond offering official statements or other documents. With regard to electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements, schedules of expenditures of federal and State awards, related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal and State awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, (Shane Fox), who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing. We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If for whatever reason your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. We will not undertake any accounting services (including but not limited to reconciliation of accounts and preparation of requested schedules) without obtaining approval through a written change order or additional engagement letter for such additional work.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' report or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.

We will provide copies of our reports to the Board; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Thompson, Price, Scott, Adams & Co., P.A. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request in a timely manner to Oversight Agencies (or its designee), a federal agency provided direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Thompson, Price, Scott, Adams & Co., P.A. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the federal cognizant agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit by approximately May 1, 2020 and to issue our reports no later than October 31, 2020. Alan Thompson is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, should not exceed \$55,000. Also, any excessive additional fees incurred in obtaining required audit evidence (i.e. bank confirmations) will be billed directly to the Board. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit.

If additional programs are required to be tested that have not been identified as major programs for testing in previous years, additional fees may be charged at standard hourly rates. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. However, we believe our contract as it is will be sufficient to cover but we do want to reserve the right to discuss this issue.

We appreciate the opportunity to be of service to the Cleveland County and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

STAFF REPORT

To: Board of Commissioners

Date: May 1, 2020

From: Elliot Engstrom, Deputy County Attorney

Subject: COVID-19 Personnel Resolution

Summary Statement:

Staff recommends adopting a resolution summarizing, approving, and requiring certain personnel actions in response to the COVID-19 pandemic.

Review:

In response to the COVID-19 pandemic, County government ceased certain operations and conducted others with reduced staffing, resulting in some employees being unable to work for a period of time.

During a time of such uncertainty, it has been important for the County to support its employees, including those employees who have been on the front lines of the County's response to the pandemic. It is further important for County government to learn from any changes and innovations that have been put in place that might be beneficial even after the pandemic subsides.

By adopting this resolution, the Board of Commissioners would take the following actions:

- Ratify the County Manager's grant of 160 (160) hours of sick time to all full-time employee;
- Ratify the County Manager's authorization for employees to take leave from whatever source they choose (vacation, sick, comp, etc.), until the Board retracts its declaration of a State of Emergency;
- Postpone biometrics and direct the County Manager and Human Resources Director to take appropriate action to pay employees their annual HSA dollars on a fair and consistent basis; and
- Require the County Manager to take several actions aimed at protecting employees, promoting remote work, and capturing any innovations that may be useful in the future.

Because some of these are personnel actions and the County keeps its personnel policies in an ordinance, this resolution would need to be approved as provided for in N.C.G.S. § 153A-45 (by a unanimous vote of the Board).
